## Financial Responsibility, Student Bills and Payments

Each student is financially responsible for payment of fees and charges assessed to his/her student account. Student accounts may be audited (reviewed) and the University has no limitation on how many semesters it may go back to assess additional fees. **Students receive bill notification electronically via their University of Toledo assigned e-mail address.** The University e-mail address ([firstname.lastname@rockets.utoledo.edu](mailto:firstname.lastname@rockets.utoledo.edu)) allows guaranteed delivery, provides quicker communication and is consistent with other processes. **If other parties such as parents, grandparents, guardians, etc. are assisting a student with payment, it is the student’s responsibility to communicate the balance owed and the date it is due.** The student receives the educational services and is the account owner. Students can access their student account using the [MyUT portal](https://myut.utoledo.edu). The portal does require the student to log in using their password. The due date for each semester’s fees is communicated on the student’s account/E-statement and on the Treasurer’s website under Important Dates. After the due date is reached for the semester, any fees for the semester are due immediately after they are incurred. The due date at this point will always show as the current date.

All fees are billed and payable in U.S. Dollars. Any bank fees for processing foreign payments will be charged back to the student. The University accepts certified checks, personal checks, money orders and electronic payment of fees. Electronic payments can be made via the [MyUT portal](https://myut.utoledo.edu). It is recommended to convert cash to a bank check or money order when using the depository in Rocket Hall or Mulford Library. The University accepts credit card payments via a third-party processor. The processor accepts MasterCard, Visa, Discover and American Express. Prepaid debit cards are not accepted. Payments are made via the [MyUT portal](https://myut.utoledo.edu). The processor for credit cards assesses a convenience fee for these types of transactions. International students can elect to have payments made through Peer Transfer. The link and information is available on the e-statement. Payments will be applied to the oldest balance first. Payments received on a student’s behalf from a third party will be treated as a scholarship unless the University has already established a contract with the third party. Scholarships, waivers, loans and third-party contracts will apply to designated fees per academic semester. The University can also remove financial aid funds from a student rocket card to cover a past due balance on a student account without notification.
Fees and Policies

All fees, policies and rules are effective for the 2014-2015 academic year. Tuition rates are assessed at the student level and residence classification. For example, graduate students taking an undergraduate course are assessed at the graduate level. The University reserves the right to make changes without advance notice. All fees are approved by the Board of Trustees.

Once a student registers for courses, he/she is responsible for all fees. Payment is due by the specified published due date. Due dates are available on the Treasurer’s website and student’s e-statement, as well as posted in Rocket Hall. Registration activity (adding or dropping courses), after the published due date, should be paid the same day the activity occurs. Accounts must be kept current in order for the student to maintain enrollment eligibility and receive official University documents and services, i.e. transcripts.

Failure to De-Register Fee

If a student elects not to attend the University of Toledo and subsequently fails to withdraw from all the courses they selected by the dates identified on the Registrar’s Website, the student will be assessed a non-refundable administrative fee of $500.00 once their non-attendance has been verified and the student has initiated an administrative drop.

Ohio Law — Selective Service

Ohio male residents between the ages of 18 and 26 are required by law to register with the Selective Service. The University must verify this information. The out-of-state tuition surcharge will be charged to such residents who have not registered with the Selective Service.

Health Insurance

Health insurance is mandatory for all undergraduate, graduate, law and American Language Institute students registered for six or more on campus credit hours, and for all international and medical students registered for one or more credit hours. If you do not have your own medical insurance, The University of Toledo offers two Student Health Insurance Plans underwritten by Medical Mutual Insurance Company. You have the choice to enroll in the Plan that best fits your needs.

To ensure compliance with the University’s insurance requirement, you will be enrolled in Student Health Insurance Plan 2 and the fee will be added to your Student Account. You may choose to waive Plan 2, or upgrade to Plan 1 based on your needs.

The insurance charge will be removed after your waiver request is completed and approved. The charge will remain on your account if you do not complete the process by the completion of the add/drop period of the standard part of term for the semester.

Any student who is not mandated to have health insurance in any given semester, but is registered for at least one credit hour at The University of Toledo, has the option of voluntarily enrolling in either Student Health Insurance Plan. However, you must pay the University insurance provider directly for your insurance premium. The fee CANNOT be added to your Student Account.

Dining Dollars can be used at any venue on campus.

Rocket Card Dollars can be used at on-campus facilities and participating off-campus places.

**Meal Plan Changes & Release** - Students enrolled in classes who are eligible to change or drop their meal plan may do so by logging into their MyUT Portal. Any changes made, beginning the day the plan is activated through add/drop, will be prorated and assessed a $50 administrative fee.

Students who are released from their housing contracts through UT's Residence Life have one week from their release date to change or drop their meal plan prior to the add/drop period closing.

Students requesting release from their contract must submit a contract release request on-line to mealplans.utoledo.edu. Students may do this by submitting an appeal form along with any other appropriate paperwork (medical notes, schedules, etc.). Once the request for appeal has been turned in, it will be reviewed and the student will be contacted within two weeks with a decision.

Schedule Adjustments (Add/Drop)

Important - All course registration and/or add transactions after the fifth weekday of the fall and spring semester MUST be done in person at the Rocket Solution Central Office, Rocket Hall, Room 1200. The time for summer schedule changes and course registration is proportional to the length of the summer part of term.

Add/Drop Period - The add/drop period is typically through the 15th calendar day of the term during the fall and spring semesters (16 week term). The add/drop period for summer and all semesters/part of terms that are not at least sixteen weeks in length shall be reduced proportionately. See the Registrar’s Office for the calendar of add/drop and withdrawal dates.

Add/Drop Fee Adjustments - Fall and spring add/drop fees are assessed according to the cumulative total of credit hours added and dropped during each respective refund percentage period.

Dropped Course Credit

Tuition, Out of State Surcharge, General and Facility Fees — Students who drop from classes for any reason will receive a refund based on the schedule below. Any refund period will be extended to the next business day if the last day for the refund percentage is an official University holiday.

Dropped Course Credit/Refund, Dependent on Length of Part of Term - Part of term refers to the length of time a course is offered within the semester; e.g., all courses that are eight weeks in length are in an eight week part of term. The refund periods within these parts of term are adjusted proportionally by the number of weeks the course is offered.

Example Based on 16 Week Part of Term:
Through the first week of the semester ................................................................. 100%
8th – 14th calendar day .................................................................................. 80%
15th calendar day ............................................................................................. 60%
16th – 21st calendar day (Withdrawal grade with credit) ................................. 60%
22nd -28th calendar day (Withdrawal grade with credit) ................................. 40%

Lab, Technology and Miscellaneous Fees
Through the 28th day of classes for the semester .............................................. 100%
After the 28th calendar day of the semester .................................................... 0%
Official Withdrawals

Students withdrawing from courses should consult the Financial Aid office regarding the effect on financial obligations.

An official withdrawal (W) occurs when the student gives official notice of his/her intent to withdraw from class(es) at the University. At some time after the add/drop period and before the end of the withdrawal period, a student may find that it is in their best interest to withdraw from a particular course. When this is the case, the student should obtain a withdrawal petition from the Rocket Solution Central Office (RSC), Rocket Hall, room 1200. Complete and return the form to the RSC Office within the specified time. The student will be given a “W” on their transcript indicating they officially stopped attending the course. Grade point average is not affected by withdrawal from class. Students should consult their college for the number of withdrawals allowed.

Withdrawal deadlines will be proportional for special classes that do not meet at the standard start/stop dates of the term, similar to add/drop deadlines. A withdrawal may affect a student’s academic progress standing. A grade of "W" may result in the loss of part or all of a student’s financial aid.

Withdrawn courses reduce a student’s enrolled hours, and may also reduce the student’s financial obligation. Withdrawing from courses may have an adverse effect on financial aid benefits, scholarships, loan deferments, athletic eligibility, health insurance, veterans’ benefits, degree requirements or other areas.

Medical Withdrawals — Students who wish to discuss possible drop/withdrawal from classes for an illness or injury must contact the Office of the Registrar at 419.530.4845 by the last day of the semester. Further information and assistance will be provided at that time.

For additional information regarding changes in schedules, please see the Registrar's Web Page.
Refund Policies

Issuance of Refund - All University refunds will be issued to the student as the account holder via authorized direct deposit to the bank account of the student’s choice (either checking or savings) or University check. PLUS loan (parent loan) refunds are issued to the parent/borrower via University check, unless indicated otherwise.

Failure to maintain a current local or permanent address will result in a delay in the refunding process.

Courses canceled by the University will be refunded at 100%.

Financial aid refunds may be available after financial aid processing is completed and enrollment status can be confirmed. Students enrolled in various parts of term courses may receive refunds in installments after attendance in all registered courses has been confirmed.

Title IV Federal Aid recipients who drop below half-time enrollment during the 100% refund period or withdraw completely from the University may not be entitled to a loan disbursement or a refund of loan funds.

If a Federal Direct Loan recipient drops below half-time enrollment during the expense period covered by the loan, ALL remaining disbursements will be canceled for that expense period.

The University of Toledo urges students to enroll in direct deposit which eliminates lost or stolen checks and is the safest, fastest and most efficient method or students to receive their student account refund. Students can enroll and update direct deposit information via the MyUT Portal.

Index of Key Terms Used in the Refund Schedule - “Official academic calendar” is the time period between the first official scheduled day of classes for the semester and the last official scheduled day of classes for the semester.

“Semester” is the designated time period in which a course is offered such as fall, spring or summer. The length of a semester is defined as the number of weeks for which a class (including exams) is scheduled.

“Week” is any combination of five consecutive weekdays that includes a Monday, Tuesday, Wednesday, Thursday and Friday.

Determination of Refund/Credit - The date used to determine the eligibility for a refund shall be the date the drop/withdrawal transaction is processed. Failure to attend class, giving notice to an instructor, stopping payment on a check which was used to pay fees or similar unofficial notice to any University office shall not be considered official notice of the student’s intent to drop.
Ohio Residency Qualifications

Qualifications and Procedures - A student is a resident of Ohio for tuition purposes if he/she meets the requirements, as established by the Ohio Board of Regents (enrollment is deemed as being the first day of classes) pursuant to Chapter 119. of the Revised Code, and under the authority conferred upon the Ohio Board of Regents by Section 3333.31 of the Revised Code.

The initial determination of residency shall be made by the first office/college that admits a student to the University (the assistant director of Office of Undergraduate Admission for undergraduate students and undergraduate students with a degree, by the Graduate Dean for graduate students and by the Chairman of the Admissions Committee of the College of Law for law students). The Residency Committee may reclassify the initial residency determination only after formal application and approval. Students who attend the University and change colleges or programs must file a formal application for reclassification.

Application forms are available at http://registrar.utoledo.edu under the link Ohio In-State Residency for students who wish to file for reclassification. A formal application form must be filed with the Residency Committee at least one month prior (30 days) to the beginning of the semester for which the reclassification is requested. (Note: Summer is considered one semester beginning with the first day of the summer term, not the first day of a particular part of term). No deferment of fees is possible because of a pending application and no retroactive reclassification will be granted.

Michigan Reciprocity Agreement
(Ohio/Michigan Agreement)

The states of Michigan and Ohio have entered into an agreement whereby The University of Toledo agrees to accept, at resident tuition rates, any resident of Monroe County, Michigan (student must meet specific program requirements). Ohio residents may attend Eastern Michigan University at resident tuition rates.

Reciprocity requests must be made by the end of the registration period for the semester reclassification is sought. Applicants must submit proof of Monroe County (Michigan) residency (lease or mortgage for the past twelve consecutive months) and Michigan driver's license or voter registration for the immediate past 12-month period. Michigan reciprocity is not granted on a retroactive basis. Applications are available at http://registrar.utoledo.edu under the link Ohio In-State Residency and are due prior to the beginning of the term for which reclassification is requested.

Out of State Surcharge Awards
Offered by the University of Toledo

The University of Toledo does offer the following out-of-state awards to students who meet specific qualifications:

Undergraduate Award – The Undergraduate Admissions and Financial Aid Office oversee awards that can help offset the out-of-state surcharge. See Undergraduate Admissions for further information.

Graduate and Law Awards for Specific Michigan Counties – Awards for specific Michigan counties, which are not included as part of the University of Toledo’s Michigan Reciprocity Agreement (counties other than Monroe), include Hillsdale, Lenawee, Macomb, Oakland, Washtenaw and Wayne. Contact the admitting office (Graduate or Law) regarding these awards.

Online Learning – Students who reside outside of the state of Ohio and enrolled in an online program may be eligible for the UT Online Out-of-State Scholarship. The scholarship amount is equal to the out-of-state surcharge. This scholarship is applied to the student's account when the tuition and fee bill is issued. For more information or to apply for the scholarship: phone, toll free at 866.886.5336, or by email at onlineadmissions@utoledo.edu.

The list above may not include all awards available. Questions regarding these and other out-of-state surcharge awards should be directed to Rocket Solution Central Office, Rocket Hall, Room 1200 and/or the student’s admitting office.
