PROFESSIONAL EMPLOYMENT

University of Toledo Department of Psychology	Professor of Psychology: 2017-present Associate Professor of Psychology: 2003-2017 Director of Clinical Training: 2005-2010 Clinic Director: 2003-2004; 2010-2011 Assistant Professor of Psychology: 1996-2003
--	--

The Department of Psychology offers an APA-accredited doctoral training program in Clinical Psychology. I served as the Director of Clinical Training (DCT) for five years, from August, 2005 to July, 2010, which included conducting our APA self-study in 2009 and organizing our reaccreditation review in Spring 2010 (resulting in the maximum 7 years of reaccreditation). My training in clinical psychology emphasizes an empirically based integrative approach to understanding and treating patients. My current research focuses on personality assessment, including topics such as construct validity, interpretive reliability, and training.

University of Toledo
College of Languages, Literature and Social Sciences

Associate Dean of Social Sciences
October 2013 to September 2014

The College of Languages, Literature and Social Sciences (LLSS) is one of three colleges derived from Arts and Sciences (the others are Natural Sciences and Mathematics, and Communications and the Arts) in 2010. As LLSS Associate Dean of the Social Sciences, I oversee the departments of Anthropology, Sociology, Political Science, Geography and Planning, Economics, and Psychology. For the College more broadly, I am responsible for developing a new database for the College, which includes its outcomes assessments (both proximal and distal), as well as College space and facilities, technology, marketing and communications, representing the college at various university events, as well as assisting the Dean with college operations and strategic planning.

Private Practice
Toledo, OH

Licensed Clinical Psychologist
Dates: Spring 1997 to present

My very small private practice focuses on adult psychotherapy and psychological assessment. I have conducted various psychological assessments over the years, but the past several years one of my more regular clients is the Federal Aviation Administration, evaluating Air Traffic Controller candidates. My therapy clients are typically pro bono or reduced-fee clients.

CLINICAL TRAINING EXPERIENCE

Westwood Lodge Hospital
Westwood, MA

Postdoctoral Fellow in Clinical Psychology
Dates: July 1995 to June 1996

Westwood Lodge Hospital is a private psychiatric hospital. My postdoctoral fellowship included providing integrated psychological treatment in the partial hospitalization program, psychological assessment, inpatient and day hospital group therapy, and participation in rounds, conferences, and staff meetings. My specialties were the Women's Trauma Unit (half-time) and Psychological Assessment (half-time).

**Harvard Medical School/
Massachusetts Mental Health Center**
Boston, MA

Internship in Clinical Psychology
Dates: July 1994 to June 1995

Massachusetts Mental Health Center, a teaching institution of Harvard Medical School, provides an integrated treatment approach for clients with serious mental illness; Harvard medical and graduate students also have reduced-cost treatment at MMHC. My training experience included outpatient psychotherapy, intake evaluations, and psychological assessment at MMHC and a 6-month neuropsychological assessment rotation at McLean Hospital. The primary focus of this training was psychodynamic and psychological assessment.

Meadowlake Hospital
Enid, OK

Externship in Clinical Psychology
Dates: September 1993 to June 1994

Meadowlake Hospital is a private hospital providing 50-bed psychiatric and chemical dependency treatment for adults, adolescents, and children. My experience included administering, scoring, and interpreting psychological test batteries and participation in treatment team meetings.

Psychological Services Center
Oklahoma State University

Practicum in Clinical Psychology
Dates: Fall 1990 to Fall 1993

The Psychological Services Center is OSU's clinical psychology training center. My experience during graduate school included individual, group, conjoint psychotherapy, and intakes as well as conducting psychological assessments. I was trained in humanistic, psychodynamic, family systems, CBT, and behavioral treatments.

Marriage and Family Clinic
Oklahoma State University

Practicum in Clinical Psychology
Dates: Fall 1991 to Fall 1992

The Marriage and Family Clinic is an OSU training clinic, providing services for couples and families. My experience during graduate school included treating couples largely using a family systems approach.
