Here’s an opportunity to help people from all over the world right here in Toledo!

Every year more than 500 new international students arrive at the University of Toledo. Most come to our city with a couple suitcases of clothing and that’s it. No beds, furniture, not even soap and towels.

You can help by donating good quality household items such as furniture, lamps, clean mattresses, small kitchen appliances, cook-ware, and linens. There’s a complete list at the link below.

You may bring the items to Cherry Street Mission Ministries LifeBridge Center (the old Banner Mattress warehouse) at 3342 Monroe St., Tuesday through Saturday, 9 am to 4 pm. Make sure you designate your donation for the International Student Project, when you drop it off. If you don’t designate it, it will be given to another project.

Or we can pick them up. To arrange for a pick up, please call: Wes Blood (419-478-8325).

Your gifts will help welcome international students to our community and make their transition a little easier. For more information, go to:

What we can and cannot use:

We are looking for donations of the following decent-quality used items that would work in a student apartment:

1. Dining or dinette tables (tables of ANY kind)
2. Dining or dinette chairs
3. Clean Mattresses/beds (queen or smaller - we cannot use king sized)
4. Small or medium sized desks, computer tables and study tables
5. Office chairs
6. Lamps (both floor and table)
7. Microwaves
8. Full sized and Small couches/loveseats (please no big heavy sleeper sofas).
9. Kitchen appliances like toasters, blenders, mixers, can openers, coffee makers, etc.
10. Dressers
11. End-tables/coffee tables/small TV stands
12. Cooking pots and pans and some dishes (we tend to get an abundance of dishes but always need pans)
13. Bicycles

Things we cannot use:

1. Big heavy items like huge entertainment centers, executive sized desks, sleeper sofas, double recliner sofas, king beds.
2. Dirty or broken items (please don't donate "project" items).
3. Old tube-type televisions.
4. Waterbeds
5. Large appliances (refrigerators, washers, dryers, etc.)
