

***You are invited to an
informational meeting
about the
Ottawa River
Great Lakes Legacy Act Project
Toledo, Ohio***

**6:30 – 8:30 p.m., Tuesday, Mar. 2
Friendship Park Senior Center
2930 131st St.
Toledo, OH**

U.S. Environmental Protection Agency Great Lakes National Program Office in partnership with the Ottawa River Group has begun cleaning up sediments in a stretch of the Ottawa River. A public information session is being held to provide an update on this project. Representatives of the team will give a short presentation.

A question and answer period will follow.

For more information, contact EPA project team lead Scott Cieniawski 312-353-9184 or 800-621-8431, ext. 38431 weekdays, 8 a.m. – 5 p.m., or e-mail cieniawski.scott@epa.gov
