Start of the Semester Instructor Checklist

-  **Create Account**
Visit your Learning Management System and access your registration link to create an account.
-  **Download Software**
Sign into your account and click on the Downloads tab to get the most recent version of our software.
-  **Order Clickers**
Let your campus bookstore know that you will be using Turning Technologies clickers.
-  **Request Instructor Kit**
Fill out an [order form](#) to request an instructor kit. The kit includes a receiver and a clicker.
-  **Check Receiver**
Standard (04) and storage (03) Turning Technologies receivers are recommended for optimum use of TurningPoint. You'll be prompted to update your receiver for use with the latest version of software.
-  **Update PowerPoint Files**
Save your PowerPoint files in the most current version of the program to seamlessly start using TurningPoint. [Click here for instructions.](#)
-  **Understand Your Roster**
Your roster will look a little different than in previous versions of TurningPoint. Review [this document](#) to learn more about the updates.
-  **Tell Your Students to Register**
Students can download school specific registration instructions by visiting [our website](#).
