In an effort to have uniformity across campuses, the following legacy benefit has been amended and will remain in place until June 30, 2020. Thereafter, the University of Toledo’s educational assistance policy (3364-25-35) 3364_25_35.pdf or an applicable collective bargaining agreement will take precedence.

Tuition Waiver for Grandfathered Faculty Members
Effective Spring Term, 2017

This legacy benefit applies to dependents of full-time active faculty members who were hired prior to January 1, 2008, in the former College of Medicine (the current College of Medicine and Life Sciences) and in the former School of Allied Health/College of Health Sciences (the current College of Health and Human Services) and who have been continuously employed since their hire dates. Dependents are defined as naturally born, adopted or step children of a faculty member. Dependents must be unmarried and are eligible for the benefit until the end of the semester in which they turn 28 years of age.

This tuition waiver is only for programs that were in existence on the Health Science Campus prior to the 2006 Merger. These include: College of Medicine programs, Master of Science in Nursing, MSN Family Nurse Practitioner, Occupational Therapy, Physical Therapy, Physician Assistant Studies, and Public Health.

As stated above, this benefit will be discontinued on June 30, 2020. Any child receiving this benefit prior to June 30, 2020, will continue to receive this benefit until they graduate from the program in which they are enrolled, or turn 28 years of age, or until they are not enrolled for two consecutive semesters. This benefit is subject to current income tax regulations.

Going forward, the HSC Grandfathered Tuition Waiver form, must be completed prior to the start of each semester by the faculty member requesting the benefit. Forms must be submitted to the Office of Faculty Affairs and be signed by the Director, confirming adherence to the above stipulations before submission to the Human Resources Benefits Department.

If you have any questions about the tuition waiver, please contact Wafaa Hanna in the Office of Faculty Affairs at 419.383.4457.

Sincerely,

Dr. Andrew Hsu
