Beneficiary Designation

It is important that your beneficiary designation be clear so that there will be no question as to your meaning. It is also important that you name a primary and contingent beneficiary. When naming your beneficiary(ies) please indicate their full name, address, social security number, relationship, date of birth and distribution percentage. If the beneficiary is not related either by blood or by marriage, insert the words, "Not Related" next to their stated relationship. If you need assistance, contact your benefits administrator or your own legal counsel. Following are examples of the most common designations:

Primary:

- Mary J. Doe, Wife (not Mrs. John Doe).

Contingent:

- Joseph W. Doe, Son and Jane Doe, Daughter, in equal shares (50%).
- Estate of the Insured.

If you name more than one beneficiary with unequal shares, please show the amount of insurance to be paid to each beneficiary in fractional parts, for example "33% to Mary Jones, Mother, and 67% to Edith Jones, Wife." The amounts must add up to 100%.

Beneficiary:

	Full Name	Address	SSN	Relationship	D.O.B.	%

Contingent
