Keep your smile healthy with dental benefits from Delta Dental

Delta Dental of Ohio and University of Toledo are pleased to partner to bring you an affordable, quality dental plan. Delta Dental is America's largest, most experienced dental carrier and our Delta Dental PPO™ network is one of the largest in the nation. As a student enrolled at University of Toledo, you are eligible to participate in this voluntary plan.

Protect yourself against potential losses

Having dental benefits coverage not only helps you get the regular care you need to stay healthy, it also gives you financial protection from unexpected, and often expensive, problems. Routine dental cleanings and exams are expensive enough. Root canals and crowns can cost as much as \$1,000 each and periodontal procedures may run as much as \$1,000 per quadrant. Delta Dental coverage can help reduce your out-of-pocket costs.

Save money and stay in network with Delta Dental PPO

With your Delta Dental PPO (Standard) plan, you may save more money and receive higher levels of coverage when visiting a Delta Dental PPO dentist. Our PPO dentists have agreed to accept lower fees as full payment for covered services. However, if you go to a dentist who doesn't participate in Delta Dental PPO, you can still save money if your dentist participates in Delta Dental Premier®. Like our PPO dentists, Delta Dental Premier dentists agree to accept reduced fees for covered services. Since the maximum allowed fees are higher for Delta Dental Premier dentists than for our PPO dentists, you may have to pay more out of pocket if you choose not to visit a Delta Dental PPO dentist.
