In any event, the parties may, jointly or separately, file appropriate documentation with the State Employment Relations Board regarding the inclusion in or exclusion from the Bargaining Unit of any position(s) at the University.
- 1.3 **Notice to Union:** The University will notify the President of Local 4319 of mergers or acquisitions with public or private business interest.

ARTICLE 2: MANAGEMENT RIGHTS

- 2.1 Rights: The University hereby retains and reserves unto itself, without limitations, all the powers, rights, authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio, and of the United States, including the rights specified in 4117.08(C) of the Ohio Revised Code, subject to the specific terms of this Agreement. All management rights are retained by the University, including the sole and exclusive right to manage its operation, buildings, and facilities and to direct the workforce including the rights specified in 4117.08(C) of the Ohio Revised Code, subject to the specific terms of this Agreement.
- 2.2 **Ohio Revised Code:** The Ohio Revised Code, Section 4117.08(C) states management's rights as:

 - 3) Maintain and improve the efficiency and effectiveness of governmental operations;
 - 4) Determine the overall methods, process, means, or personnel by which governmental operations are to be conducted;

 - 8) Effectively manage the workforce;
 - 9) Take actions to carry out the mission of the Public employer as a governmental unit.

ARTICLE 3: DUES DEDUCTION AND UNION SECURITY

- 3.1 <u>Dues Payment:</u> The regular Union dues shall be established under the terms of the CWA Constitution and certified to the University by the Union. Effective sixty (60) days following the beginning of employment, the payroll deduction of the regular Union dues shall be made on the first two pay days in each month during which the employee is in active pay status. The Union will provide written deduction authorization by the employee clearly affirmatively consenting to the deduction of dues. The University shall be relieved from making such dues deductions upon: (a) termination of employment, (b) transfer or promotion to a job classification other than one included in the bargaining unit, (c) layoff from work, (d) during an unpaid leave of absence, (e) revocation of the check-off authorization or (f) termination or expiration of this Agreement. No employee shall be required to become a member of the Union as a condition for securing or retaining employment.
- 3.2 <u>Indemnification Clause:</u> The Union shall indemnify the University against any and all claims, demands, suits, or other forms of liability or costs that shall arise out of, or relate to, any action taken or not taken by the University for the purpose of complying with the provisions of this Article.
- 3.3 <u>Dues Check-Off:</u> The University agrees to make every effort to forward checked-off dues to the Union within two (2) weeks following the second pay day of each month, but no later than thirty (30) days. All remittances shall be mailed by the University to the Secretary/Treasurer of the Communications Workers of America at 501 3rd Street, NW, Washington, DC 20001-2797.
- 3.4 <u>COPE Check Off:</u> In addition to dues, the University shall check off payments to COPE or a designated Credit Union. The Union shall maintain a minimum of ten (10) members receiving check-off payments to COPE or a Credit Union if other than the University's. Failure to maintain the minimum requirement will result in the University ceasing check-off payments. The COPE payments shall be identified as such and forwarded to the address specified in 3.4 above on a timely basis. Where applicable, the Union shall notify the University of the proper disposition of Credit Union monies. The Communications Workers of America shall reimburse the University annually for the University's actual cost for the expenses incurred in administering the payroll deductions for COPE or the CWA Credit Union.

ARTICLE 4: NONDISCRIMINATION

- 4.1 <u>Discrimination Identification:</u> The parties hereto declare that there shall be no discrimination against any employee because of age, race, sex, color, creed, national origin, sexual orientation, marital status, religion or because such employee is a qualified individual with a disability, or membership or non-membership in the Union. No employee shall be coerced or required to join or refrain from joining the Union.
- 4.2 Title IX: The University of Toledo does not discriminate in its employment practices or in its educational programs or activities on the basis of sex/gender. The University of Toledo also prohibits retaliation against any person opposing discrimination or participating in any discrimination investigation or complaint process internally or externally. Reports of sexual harassment and discrimination questions regarding Title IX, and concerns about noncompliance should be directed to the Title IX Coordinator. For a complete copy of the policy or for more information, please contact the Title IX Coordinator https://www.utoledo.edu/title-ix or the Assistant Secretary of Education within the Office for Civil Rights (OCR) http://www.ed.gov/ocr. The University of Toledo's Title IX policy will govern any matters falling within the scope of Title IX.
- 4.3 <u>Union Protection</u>: The parties recognize the right of all Bargaining Unit employees to be free to join the Union and to participate in lawful and contractually permitted Union activities. Therefore, the parties agree that there shall be no interference, restraint or coercion by the University or the Union against any Bargaining Unit employee because of Union membership or non-membership or because of any lawful and contractually permitted activity in an official capacity on behalf of the Union.

- 4.4 <u>Gender Neutrality Clarification:</u> The use of the masculine or feminine gender in references or titles in this contract shall be construed as including both genders and not as sex limitations unless the Agreement clearly requires a different construction.
- 4.5 **Commitment:** The parties agree to cooperate in complying with the requirements of any federal, state or local law pertaining to non-discrimination.

ARTICLE 5: SAVINGS

- 5.1 Modifications to Contract Due to Law Change: Should any provisions of this Agreement or any application thereof become unlawful by virtue of any Federal or State law, or pursuant to being declared invalid by an agency or court of competent jurisdiction, the rest of this Agreement shall remain in force. The parties shall meet to negotiate concerning such decision no later than 14 calendar days after entry of final judgment therein.
- 5.2 **Reopening Options:** This Agreement shall be considered reopened only as to those subjects which such court decisions and/or legislation requires reopening. Nothing herein shall prevent the parties from reopening any other item by mutual agreement, nor shall it render unenforceable any item in this contract which supersedes applicable State law when it is permissible to do so under Ohio Revised Code 4117.10 (A).

ARTICLE 6: GRIEVANCES

- 6.1 **<u>Definition of Grievance:</u>** The term "grievance" means any dispute involving the interpretation, application or alleged violation of a provision of the Agreement. Any Bargaining Unit employee or the Union may file a grievance.
- 6.2 Informal Process: Most grievances arise from misunderstandings that should be promptly resolvable on an informal basis. Before commencing the formal grievance procedure, the Bargaining Unit employee, with or without his/her Union Steward, shall first attempt to resolve the grievance informally with his/her immediate supervisor involved in the problem as soon as possible.
- 6.3 Commitment: The parties agree that resolution of grievances as early as possible in the grievance procedure is desirable and that once resolved it is the parties' mutual goal that additional grievances, on the same issue, should then be unnecessary. To promote early resolution of grievances the parties agree that any grievance granted which is not moved to the next step of the grievance procedure or any grievance mutually agreed upon as settled by the Union and the University at Step 1 of the grievance procedure are without precedent. If either party feels an issue is the subject of repeated grievances that issue should be moved along the grievance procedure for resolution and arbitration.
- 6.4 When a grievance is granted and accepted by the Union or mutually settled, the administrator who resolved the grievance is responsible for notifying all affected parties (including but not limited to the grievant, the President of the Local, the Director of the Department, Human Resources) within ten (10) working days of the resolution.
- 6.5 Formal Process: Any grievance, which cannot be resolved informally, shall be processed in the following manner:

A. LEVEL ONE – Next Level of Supervision

The employee shall reduce the grievance to writing on a form provided by the Union and present such grievance to the grievant's administrative head or his/her designated representative within ten (10) working days after the event upon which the grievance is based occurs, or with reasonable diligence should have been known. An administrator and/or the grievant's supervisor, will hold a meeting with the steward within five (5) working days following submission of the grievance at which an attempt will be made to resolve the

grievance.

- 2) Within five (5) working days after the first level meeting, the Administrator and/or the grievant's supervisor, will answer the grievance in writing on the grievance form and return it to the steward.
- 3) If the Union is not satisfied with the Level One answer, it may appeal said answer by notifying the next level of supervision in writing within ten (10) working days of receipt of the answer. The grievance will thereupon proceed to Level Two.

B. LEVEL TWO – Next Level of Supervision

- 1) The union will submit in writing a request to be heard at level two to the next level of supervision from level one above within ten (10) working days after receiving the level one response. This level of supervision will hold a meeting with the steward within five (5) working days of receiving the appeal.
- 2) Within five (5) working days after the level two meeting, this level of supervision will answer the grievance in writing and supply it to the steward.
- 3) If the Union is not satisfied with the level 2 answer, it may appeal said answer by notifying the Director of Labor Relations, or his or her designated representative, within five (5) working days of receipt of the answer. The grievance will thereupon proceed to level three.

C. LEVEL THREE – Director of Labor Relations

- 1) The Director of Labor Relations, or his/her designated representative, will hold a third level meeting within ten (10) working days of the Union's appeal.
- 2) The grievant may be present and represented at this level by the Local Union President or his/her designee and the applicable Steward who are employees of the University and such other representatives who are not employees of the University as the Union may select.
- 3) The Director of Labor Relations, or his or her designated representative, shall request the attendance of those witnesses and/or Management representatives which the Union shall have demonstrated are necessary for the presentation of the grievant's case. Such witnesses will not lose pay while attending meetings at this level.
- 4) Such documentary evidence as shall be pertinent to the grievance will be available at the hearing.
- 5) Within ten (10) working days after said meeting, the Director of Labor Relations, or his or her designated representative, will give the University's final written decision to the President of the Local and the Union representative.
- 6) If the Union is not satisfied with the University's final decision, it may submit the grievance to the impartial arbitration under the provisions of Article 8 by written notice to the Director of Labor Relations, or his or her designated representative, within fifteen (15) working days after receipt of the Director's final decision.
- 7) Agreements at this level should be considered precedent setting unless mutually agreed otherwise.
- 8) Written reprimands are not appealable beyond Level Three of the grievance procedure.

- 6.6 <u>Grievance Information</u>: The grievance form shall contain the grievant's name, classification title and department or working unit, a brief statement of the grievance and the remedy sought by the grievant. The specific section of the Agreement that has been allegedly violated must be included as well as the date(s), time(s) and any other information relevant to the decision of the grievance. Copies of all grievances filed at level 1 and above will be provided by the union to the Director of Labor Relations, or his or her designated representative.
- 6.7 **Grievant Participation:** A grievant may attend grievance meetings at the discretion of the Union.
- 6.8 <u>Compliance:</u> Pending resolution of any grievance processed under this Agreement, the Bargaining Unit employee involved will comply with the direction of his/her supervisor unless such direction clearly involves circumstances that could result in bodily harm to himself/herself and fellow employees.
- 6.9 **Union Representatives:** Union representatives will have no loss of pay or benefits as a result of participating in meetings under the above levels during their regularly scheduled working hours.
- 6.10**<u>Definition of Working Days:</u>** Working days, as used anywhere in this Agreement, do not include Saturdays, Sundays, or holidays whether or not work is scheduled thereon.
- 6.11 **Extensions:** All time limits referred to herein may be extended by mutual agreement between the parties. Meetings shall be at mutually agreed times and locations.
- 6.12 Failure to Respond Timely: If the grievance is not responded to timely at either level 1 or level 2, then the union is awarded the grievance and the impact is non-precedent setting (not restricted to a department). Notwithstanding any provision to the contrary in Article 8, if after acknowledged receipt of a reminder from the Union delivered to a representative of Labor Relations before a Level 3 response is due, the University fails to respond timely, the cost of the arbitrator, should the matter be advanced to arbitration, shall be borne by the University.
- 6.13 Grievances to be Advanced Directly to Level 3. Grievances involving unpaid suspensions, terminations, and filling of vacancies will be submitted directly to Level 3 of the Grievance Procedure within ten (10) working days after the event upon which the grievance is based occurs, or with reasonable diligence should have been known. Additionally, other grievances may be advanced directly to level 3 upon the mutual written agreement of management and the union. After the level three response is received by the union, it may accept management's decision, request mediation or proceed to binding arbitration under article 7 or 8.

ARTICLE 7: MEDIATION

Mediation Procedure: The parties agree to utilize the following mediation process:

- A. Grievance mediation shall be established as an option which is available to the parties after the final step of the internal grievance procedure. A request to mediate must be submitted within fifteen (15) workdays following the Level 3 response. If mediation is requested by a party and the other party agrees to mediate, the timelines for filing a request for arbitration will be tolled subject to the mediation procedure. A party refusing mediation must give written notice to the other party within five (5) workdays of the request. If mediation is refused, applicable time limits for appealing a grievance to arbitration contained in the parties' Collective Bargaining Agreement shall commence on the day the refusal notice is issued.
- B. The parties agree to utilize the services of the Federal Mediation and Conciliation Service, or other agreed upon mediation service. Notices of mediation requests are to be signed by the parties. Should the availability of a mediator unnecessarily delay the processing of the grievance in the opinion of either party, then either party may withdraw its consent to mediation and the grievance may proceed to arbitration.
- C. The grievant shall have the right to be present at the mediation conference.

- D. Each party shall have one principal spokesperson at the mediation conference, who shall have the authority to resolve the grievance.
- E. Any written material that is presented to the mediator shall be returned to the party presenting that material at the termination of the mediation conference. The mediator may, however, retain one copy of the written grievance, to be used solely for purposes of statistical analysis.
- F. Proceedings before the mediator shall be informal in nature. The presentation of evidence is not limited to that presented at the grievance proceedings, the rules of evidence will not apply, and no record of the mediation conference shall be made.
- G. The mediator will have the authority to meet separately with any person or persons, but will not have the authority to compel the resolution of a grievance.
- H. If no settlement is reached during the mediation conference, the mediator shall provide the parties with an immediate oral advisory decision, unless both parties agree that no decision shall be provided. The mediator shall state the grounds of his advisory decision.
- I. The advisory decision of the mediator, if accepted by the parties, shall not constitute a precedent, unless the parties otherwise agree. If either party requests, the settlement will be reduced to writing and signed by the parties.
- J. If no settlement is reached at mediation, the parties are free to arbitrate. If the parties do not accept the advisory opinion of the mediator the Union may appeal the grievance to arbitration. All applicable time limits for appealing a grievance to arbitration contained in the parties' Collective Bargaining Agreement shall commence on the day the advisory opinion is issued.
- K. In the event that a grievance which has been mediated subsequently goes to arbitration, no person serving as a mediator between these parties may serve as an arbitrator. Nothing said or done by the mediator may be referred to at arbitration. Nothing said or done by either party in the mediation conference may be used against either party in arbitration.
- L. The parties agree the mediator may conduct more than one (1) mediation conference in a day.
- M. The mediator's fee and expense, if any, as well as any associated costs of mediation administrative charges, room charges, cancellation fees, etc.) will be divided equally between the parties.

ARTICLE 8: ARBITRATION

- 8.1 Panel Selection: The parties shall request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service (FMCS) all of whom must be members of the National Academy of Arbitrators. Either Party may reject a first panel. Within five (5) working days following receipt of such list, the parties will meet to select the arbitrator. A flip of a coin shall decide who shall first strike a name from the list and the parties will then alternate in striking names until only one name remains. If the arbitrator thus chosen cannot serve, the parties shall request a new list and begin the selection process anew. A request for arbitration panel must be submitted to FMCS by the Union within sixty (60) days after the notice under Article 6.3 C.6. Thereafter if the arbitrator is not selected by the parties and the hearing date scheduled within sixty (60) days, the employer may argue to the arbitrator that any back pay or monetary remedy should be tolled.
- 8.2 <u>Arbitration Compensations:</u> The University agrees to allow the Union any necessary employee witnesses time off with pay during the regularly scheduled hours to attend the hearing. The fees and expenses of the arbitration shall be borne equally by the University and the Union. The fees and expenses of the arbitration are defined as follows:
 - A. The cost of a stenographer/reporter and the associated transcription costs. If only one party desires a transcript of the proceedings, the party desiring the transcript shall pay the total cost for such transcription for that party and for the arbitrator's copy. If the other party desires a copy, then the total cost of such transcription shall be shared equally by both parties.

- B. The fees and expenses of the arbitrator used in the case, and a hearing room.
- C. All other expenses will be borne by the party incurring them.
- 8.3 <u>Arbitration Decision:</u> The arbitrator shall be requested to render his/her decision as quickly as possible; but in any event, no later than thirty (30) calendar days after the formal close of the hearing, unless the parties agree otherwise.
- 8.4 **Arbitrability:** Only disputes involving the interpretation, application or alleged violation of a provision of this Agreement shall be subject to arbitration. The arbitrator shall have no power to add to or subtract from or modify any of the terms of this Agreement. The arbitrator's decision shall be final and binding.
 - In any grievance arbitrated under the provisions of this Article, the University shall under no circumstances be liable for backpay for more than 12 (twelve) months (plus any time that the processing of the grievance or arbitration was delayed at the specific request of the University) after the date of the disciplinary action. Delays requested by the Union in which the University concurs shall not be included in such additional time. Further, any amounts received by the employees in the form of interim earnings from any source whatsoever and/or unemployment compensation shall be set off from any back pay award, and the employee shall have a duty to mitigate back pay.
- 8.5 **Preparation:** The University shall permit two (2) necessary witnesses, the involved steward and one (1) grievant two (2) hours with pay for preparation per arbitration case. If necessary, the University shall permit further reasonable time off without pay for necessary witnesses, the involved steward and grievant(s) for preparation per arbitration case. All time off (with or without pay) must be approved by the involved supervisor(s) prior to utilization, such request(s) shall not be unreasonably denied.
- 8.6 **Extension:** Time limits referred to herein may be extended by mutual agreement in writing (email) between the parties.

ARTICLE 9: CONTRACTING OUT

- 9.1 <u>Intent:</u> The parties do not intend to modify the University's present practice on contracting out. Both parties recognize the value of a well-trained, in house, workforce as being critical to the successful execution of the University's mission statement. The parties recognize that contracting out should be limited to work that the University determines cannot economically or efficiently be performed by Bargaining Unit employees.
- 9.2 **Consequences:** In the event of such contracting out or subcontracting, the University will ensure that no employee is laid off or takes a reduction in pay as a result thereof. Upon request of the Union President, the University will discuss any such contracting out or subcontracting, and permit the Union to offeralternatives to such contracting out or subcontracting. Such discussions are not intended to delay implementation of any contracts which the University deems necessary.
- 9.3 **Non-Bargaining Work Subcontracting:** If subcontracting of non-Bargaining Unit work results in the lay off of non-Bargaining Unit employees, those employees will have no right under Article 24 to bump into Bargaining Unit positions.

ARTICLE 10: NO STRIKE/LOCKOUT

10.1 No Strike / Lockout Provision: During the term of this Agreement or any extensions thereof, there shall be no lockout, no strike, no sympathy strike, no concerted action in failing to report to duty, no failure to report for duty, no willful absence from one's position, no stoppage of work, no slow down, or abstinence in whole or in part from the full, faithful and proper performance of duties of employment. Any employee violating the provisions of this Article may be disciplined as determined appropriate by the University subject to appeal only to the grievance procedure, with the only issue to be determined by the arbitrator being whether a violation of this Article actually occurred.

ARTICLE 11: SENIORITY

- 11.1 <u>Definition of Bargaining Unit Seniority:</u> Unless otherwise provided for herein, there shall be only one (1) form of seniority which shall be a Bargaining Unit employee's total uninterrupted regular full-time or regular part-time classified civil service employment, within the Bargaining Unit, with the University.
- 11.2 Probationary Period Defined: All Bargaining Unit employees shall be considered probationary employees for the first one hundred eighty (180) days of employment. Probationary employees shall not be covered by this Agreement except for wage, overtime, holiday and Union security provisions. Upon successful completion of the probationary period, a Bargaining Unit employee's seniority shall be retroactive to his/her date of hire. The time limits may be extended by mutual written agreement between the Employer and the Union. Dismissal during the initial probationary period shall not be grievable.
- 11.3 <u>Termination of Bargaining Unit Seniority:</u> A Bargaining Unit employee's seniority shall terminate if the Bargaining Unit employee:
 - A. Quits, resigns, or retires (excluding disability retirement);
 - B. Is discharged for cause;
 - C. Is laid off for a period of more than twelve (12) consecutive months;
 - D. Fails to report to work as scheduled after leave of absence or layoff;
 - E. Accepts a position out of the Bargaining Unit for a period of more than twelve (12) months. Bargaining Unit employees re-employed after termination of seniority shall not regain credit for such terminated seniority unless mutually agreed by the parties.
- 11.4<u>In Cases of a Tie:</u> If two employees have the same seniority date, the names will appear alphabetically. If two or more employees have the same last names, they shall be ranked alphabetically by the first name.
- 11.5<u>Days Off and Job Preference:</u> Senior qualified employees will be given preference for shifts for particular scheduled days off and job assignments only when there is a change in operations resulting from leave of absence, vacancies or as initiated by management.

ARTICLE 12: POSITION AUDIT

- 12.1 <u>Timeframe for Requests:</u> No more than once during any consecutive period of 12 months, a Bargaining Unit employee may request a review of their job classification to determine whether they are working within their assigned classification. The employee will be afforded a reasonable opportunity to submit facts relative to the classification.
- 12.2 <u>Grievance Rights:</u> Position specifications and job content are the responsibility of the University; provided, however, that an employee or the Local may grieve at Level 3 the University's determination as to whether they are classified in the position which best corresponds to his/her actual duties.
- 12.3 <u>Job Audit Process:</u> An employee requesting a position audit must complete a Position Information Questionnaire which shall be available on-line through the Human Resources Department.

Upon receipt of the Position Information Questionnaire and any other relevant documentation, the Human Resources Department shall forward the information to the employee's supervisor within five (5) working days. The employee's supervisor must return the Review of Questionnaire to the Human Resources Office within twenty (20) working days from the date the information was sent to the supervisor.

The Job Audit Review Committee shall consist of at least two (2) representatives from Human Resources and one (1) from the CWA. This Committee shall review all the information provided by the employee requesting the job and their supervisor. The Job Audit Review Committee shall complete the job audit within thirty-five (35) working days of the date the information is due to be returned to the Human

Resources Office from the employee's supervisor. Parties may extend timelines by mutual agreement.

12.4 Reclassification Process: The parties recognize a position audit may or may not result in a reclassification. If it has been determined as a result of a position audit that an employee has been performing the duties of a higher rated classification, the University shall, within thirty (30) days from the decision of the Job Audit Committee: 1) Assign the employee to such higher rated classification and continue the duties at the new rate of pay effective the first day of the pay period which includes the day the forms were received by the Human Resources office by the employee; or 2) Remove the additional duties, keep the employee in their original classification and pay out of classification pay for the time from the date the audit forms were received in Human Resources. If the reclassified position is in the same classification series, the employee, if certified, will retain certified status. If the audit results in assignment to another classification series, civil service tests, if applicable, will be required. When a Bargaining Unit employee is reclassified, they shall be given notice setting forth the new classification, pay range, and wage rate. If the Job Audit Review Committee identifies that job duties are being performed that do not fit within an existing classification, they will generate a report with their findings and forward the report to the Director, Labor Relations, or designee.

ARTICLE 13: WORK OUT OF CLASSIFICATION

- 13.1 Minimum Number of Hours: If employees who are covered by this Agreement, perform authorized duties in a higher job classification, for more than four (4) hours in any week, such employees shall be paid for such time worked at the higher classification during that week at the rate which applies to the higher classification in which they were working. The employee's pay will be established at whichever is higher: a) the minimum base rate of the higher position or b) at a rate that is at least four percent (4%) above the employee's current pay. If employees are assigned to work at a lower classification, they will maintain the rate of their regular classification. However, in no case shall the University require an employee to work out of classification in order to avoid paying other employees at a premium rate of pay.
- 13.2 Standards for Working out of Classification: In order for an individual to be considered as working out of classification the employee must perform work within the first ranked duties of a higher classification or position which are in addition to the duties the employee may normally perform in his/her classification. The duties for the position to be temporarily filled will not be unnecessarily distributed to avoid payment under section 13.1.

ARTICLE 14: WORK BY NON-BARGAINING UNIT PERSONNEL

- 14.1 <u>Definition of Normal Job Duties:</u> It shall not be a violation of this Agreement for supervisors and other non-Bargaining Unit personnel to perform Bargaining Unit work which is otherwise within their normal job duties, for training purposes, or where necessary to meet operational needs. Supervisors and other non-Bargaining Unit personnel, by performing their duties, shall not displace or cause to be laid off a regular employee from a regularly scheduled assignment.
- 14.2 Student Assistants: Both parties agree that the primary mission of the University is to educate students. In academic and administrative offices, students may perform as assistants to Bargaining Unit personnel. As long as the bargaining unit member provides work direction to the student employee. At no time will a student employee permanently fill a vacant bargaining unit position. The hiring of student assistants will not cause a Bargaining Unit member to be displaced or laid off.
- 14.3 <u>Definitions of Temporary Agency, Intermittent and Non-Student Part Time:</u> In order to meet operational needs and maintain flexibility, the University utilizes intermittent employees. However, management and the union agree that use of such employees should not be abused. Therefore, Union and Management agree as follows:
 - TEMPORARY AGENCY EMPLOYEES: A Bargaining Unit position may be filled by an employee from a temporary agency on an interim as needed basis; however, the agency employee shall not work in a bargaining unit position for more than one thousand (1000) hours per calendar year without the mutual

agreement of both Union and Management. In regard to a Bargaining Unit position for which a temporary agency employee is working, if the Bargaining Unit employee 1) exhausts all leave rights or 2) advises the University in writing that they do not intend to return to work, Management will advise the Union and the position will be posted in accordance with Article 24 upon exhaustion of any contractual payments to the employee.

INTERMITTENT CALL-INS (1410s/61902/H6s) EMPLOYEES: Employees' hours will be diligently monitored by Human Resources to ensure working hours do not exceed the established hours of work per year (1000 hours for object code 1410s/61902/H6s) and employees shall not be rolled over to another object code or hired through a temporary agency in order to continue performing in the same capacity.

In the event a vacant bargaining unit position filled by a temporary agency employee or intermittent callin reaches the maximum allotted hours it shall be considered necessary and filled in accordance with Article 24.

14.4 Reporting: Information provided to the Union under Article 39.6 will include a total of all hours the employee has worked year to date.

ARTICLE 15: HOURS OF WORK AND OVERTIME

- 15.1 Work Week Defined: Forty (40) hours shall be the standard workweek for all permanent full-time, regular employees, and normally consists of five (5) consecutive days of eight (8) hours per day. However, the work schedule, shift times, and hours may vary significantly due to numerous University requirements and, accordingly, the parties agree that such needs will sometimes necessitate adoption of variable hours/days (or, after consultation with the Union 4/10 schedules) or other changes in employee work schedules, shift, hours or location as determined and directed by Management. It is understood and agreed that except by mutual agreement, there shall be no split shifts for full-time employees.
- 15.2 Flex-Time Defined: Where practical and feasible, flex-time may be utilized. Flex-time is defined as a change in a regular schedule requested by the employee(s) and agreed to by Management. Flextime may include, but is not limited to, variable starting and ending times and other flexible hour concepts. It is understood the flex-time request must be to the mutual benefit of the employee and the University. Management's approval of flex-time must be obtained by the employee prior to its implementation.
- 15.3 Schedule Change: In the event it becomes necessary for the University to change a regular work schedule employees will be given ten (10) working days notice of schedule changes. Schedule changes shall not be made to avoid the payment of overtime. In an emergency situation, or where a schedule change could not reasonably have been anticipated, less than ten (10) days notice may be given, but not solely to avoid the payment of overtime.
- 15.4 <u>Definition of Pay Week:</u> For the purpose of computation of pay, the pay week is defined as Saturday 12:01 A.M. through Friday midnight.
- 15.5 Computation of Overtime: All hours on active pay status in excess of forty (40) hours in any one pay week shall be paid at the rate of time and one-half the employee's regular rate of pay unless compensatory time pursuant to the following is elected. Active pay status is defined as actual hours worked, pre-approved vacation, personal, sick incentive and comp time.
 - A. Up to 160 hours of compensatory time may be accrued after which payment will be made for all hours worked. If an employee wants to take compensatory time at time and one-half in lieu of overtime (time and one-half) payment that choice must be clearly indicated on the appropriate overtime card.
 - B. If overtime work is performed in an employee's normal employing unit (cost center); they may elect to take either overtime pay or compensatory time off. However, when the overtime work is performed in, or for, another department or cost center, that overtime will be on a paid basis

- except by mutual agreement between the employee and his/her immediate supervisor.
- C. Compensatory time must be used (at a time which is mutually convenient to the employee(s) and his/her supervisor) within 120 days from the time it was worked. If not, payment will be made for the accrued and unused time.
- D. Payment for accrued compensatory time upon termination of employment will be calculated at the average regular rate of pay for the final three (3) years of employment, or the final regular rate received, whichever is the higher.

ARTICLE 16: OVERTIME EQUALIZATION AND TREATMENT

- 16.1 Equalization of Overtime: University will equalize overtime opportunities among eligible employees, by seniority, who normally work in the same work unit as that in which the overtime is required. Upon request by the President of the Local, the Director of Labor Relations or their designee will review the overtime worked within a particular work unit with a view towards equalizing overtime if desired by the employee(s) in question. Work units will be those mutually agreed to by the President of the Local and the Director of Labor Relations or their designees.
- 16.2 Posting of Overtime: Overtime hours for each employee in a work unit shall be posted so that it is available for each employee in these departments to check his/her overtime status. Overtime lists will start each calendar year on January 1 at 12:00 A.M. and end on December 31 at 11:59 P.M.
- 16.3 Overtime Offering: If overtime work is requested by supervision, it will normally be offered to available, qualified, most senior employees, with the least number of overtime opportunity hours within a work unit, as defined and agreed to under Article 16.1.
- 16.4 Additional Break/Lunch During Overtime: Whenever an employee is assigned an overtime opportunity and such assignment requires him/her to work for more than ten (10) consecutive hours, the employee will be granted a fifteen (15) minute break at the beginning of the 10th hour, and each two (2) hours thereafter, and a thirty (30) minute paid meal break will be given after four (4) consecutive hours of overtime, provided the employee is scheduled to work at least two (2) more hours. Scheduling of breaks and lunch period shall be by agreement with the immediate supervisor.
- 16.5 <u>Bypass of Overtime:</u> In the event that the equalization of overtime is not followed, the employee(s) that were bypassed without legitimate reason will be given the next opportunity for overtime work for which the employee(s) are qualified in the work unit by seniority. If the next opportunity for overtime work is not greater than or equal to the number of hours of the bypassed overtime, the University will compensate the employee for the number of hours necessary to total the hours bypassed.
- 16.6 Overtime for Probationary Employees: Overtime opportunities will be offered to a probationary employee(s) after the opportunity has been offered to all other non-probationary employees within the work unit.

- 18.2 Working Through / During Lunch Period:
 If the University requires an employee to perform their job duties through part or all of their scheduled lunch period, the lunch period will be considered as part of the workday and the employee will be compensated at the appropriate rate of pay. In some departments such as Campus Police, Health Center, and 2nd and 3rd shifts in Facilities, the nature of the work may require that the employee remain on call during the lunch period. Under these conditions, the lunch period will be considered part of the workday and compensated at the appropriate hourly rate.
- 18.3 <u>Rest Periods</u>: Bargaining Unit employees may take a paid rest period of not more than fifteen (15) minutes for each half day of work at the time approved by the employee's immediate supervisor. The University shall provide and maintain break facilities. The University shall notify the Union of relocation of existing break facilities. All three rest periods will be taken at a time approved by the Bargaining Unit employee's immediate supervisor.

If there are no open positions for which the employee is qualified, or if the employee does not successfully bid on a position, or if the employee is unable to return to work at the expiration of the leave of absence, the employee will be laid off for an additional six (6) months. The employer's designee may confirm said release with the member's personal physician.
- 22.5 Return to Work with Restrictions: When an employee's personal physician has released the employee to report back to work with restrictions, Management will consider such release on a case-by-case basis. Documentation shall include specific deficiencies in skills, abilities or other abilities necessary to perform the position in a manner which meets departmental needs. If the bidder is determined to be unqualified under this section, and provided the University acts in good faith and without personal favoritism, the University may select non-Bargaining Unit applicants to fill such vacancy to meet affirmative action requirements or because a more qualified non-Bargaining Unit person is available.
- 24.9 Restrictions on Bidding: Employees with eight (8) years or more of service may not receive a lateral transfer, promotion or voluntary demotion more than once in any 9-month period. Employees with less than eight (8) years of service may not receive a lateral transfer, promotion, or voluntary demotion more than once in any 12-month period. 43.2 Additional Wage Increases: Apprentices shall receive contractual wage increases in addition to regular step increases. Range increases shall be at least a five percent (5%) increase rounded up to the next step.

ARTICLE 44: WORKERS COMPENSATION

- 44.1Employees are to complete an Employee Injury and Illness Report as soon as physically able. All injuries must be reported to the immediate supervisor by the injured employee. Employees must notify their supervisor of intent to commence a work-related leave that is due to injury or occupational disease which is believed to have been contracted "in the course of and arising out" of their employment. Notification from a health care provider is to include the start and approximate end date of the leave. The injured employee will be considered on active duty for the entire shift that the employee leaves to seek medical attention; provided a valid doctor's slip is provided that shows the employee sought medical attention that day.
- 44.2The University will comply with relevant state workers compensation law related to transitional work or light duty. Light Duty is defined as meaningful employment that meets the restrictions set by the Physician of Record.
- 44.3Employees will continue to accrue sick and vacation time for the period they are on Temporary Total Disability (TTD) for up to twelve (12) months. In addition, employees may request vacation or comp time when they are receiving Temporary Total Disability Benefits from the BWC.
- 44.4Employees are prohibited from collecting Bureau of Workers' Compensation (BWC) benefits and sick time concurrently. Employees are required to use sick time, if available, for the seven day wait period.
 - After the wait period, the employee may arrange to continue to use their accrued sick time for BWC related disability periods by notifying their supervisor in writing. A disability form or statement from the physician is required to accompany the request for use of sick time. The extent of sick time used under this provision shall not exceed those hours used in the (45) forty-five workdays immediately after the date of injury or exposure. Once the (45) forty-five workdays have been exhausted the employee may apply to revert to BWC benefits. At any time during the (45) forty-five workday period the employee may elect to apply for Temporary Total Disability via the BWC.
- 44.5Employees that have returned to "regular employment" with an approved BWC claim may request that all sick leave time used during the period they were disabled (up to a maximum of forty-five (45) workdays) be re-credited to their sick balance. "Regular employment" is defined as the same position pre-injury or a position for which the employee is qualified after light duty and/or transitional duty is exhausted. A valid statement or disability form which clearly states the "to" and "from" dates is to accompany the request for sick time re-credit.
- 44.6Employees may request vacation or comp time in lieu of sick time; however, time will not be re-credited to either bank.
- 44.7Employees who return to work prior to the expiration of the forty-five (45) workdays and then become disabled at a later date to the same injury or exposure, may use the unused portion of the forty-five (45)

work days.

- 44.8Employees receiving TTD benefits are entitled to accrue seniority at the same rate as they would have if they were on active pay status.
- 44.9Employees on a certified BWC leave shall retain their Medical and Life Insurance benefits at the same cost they would incur had they not been disabled for a period of up to (12) twelve months from the date TTD benefits are effective OR (30) thirty days after the employee has reached Maximum Medical Improvement; whichever comes first. The employee may elect COBRA coverage for medical benefits after the maximum period has lapsed.
- 44.10The Employer will recognize CWA's Workers Compensation Representatives and work with them to benefit covered employees who are injured or sustain an exposure on the job.
- 44.11Employees have the right to return to their same position for the period of up to (12) twelve months from the date TTD benefits are effective. Should TTD leave exceed (12) twelve months the employee will be assigned to a position similar to that held prior to going on TTD leave. If due to documented medical reasons the employee is not able to perform his or her former job; the Employer shall inform the employee of his or her right to apply for any open positions for which he or she meets the qualifications.

ARTICLE 45: ZIPPER CLAUSE

- 45.1 Agreement Altering: It is understood and agreed that this Agreement contains all the agreements of the parties and that the same may be amended or altered only by agreement in writing signed by the parties.
- 45.2 Waiving of Rights: The University and the Union agree that all matters desired by either party have been presented, discussed and incorporated herein or rejected. Accordingly, except to the extent expressly stated to the contrary above, it is agreed that for the life of this Agreement each party voluntarily and unqualifiedly waives the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter, whether or not referred to in this Agreement.

ARTICLE 46: DURATION

- 46.1 Expiration Date: The Agreement shall be in effect from January 1, 2024 and shall expire December 31, 2025.
- 46.2 <u>Termination of Agreement:</u> Should either party desire to terminate this Agreement, that party shall give written notice of such intent to the other party at least sixty (60) calendar days prior to the expiration day of this Agreement or the Agreement shall automatically renew for a period of one (1) year and for one (1) year periods thereafter until such notice is given. The dispute resolution provisions of Ohio Revised Code 4117 shall apply in the event notice to terminate this Agreement is given under the terms of this Article.

Article 47: Spousal Eligibility

47.1 <u>Definition.</u> In accordance with the decision of the Supreme Court of the United States in *Obergefell v. Hodges*, 135 S.Ct. 2584 (2015), the University of Toledo will hereby discontinue eligibility to domestic partners as it pertains to any and all University benefits except that this will not affect domestic partner health insurance benefits selected prior to ratification of this Agreement during open enrollment for the 2017 health insurance plan year.

- 47.2 <u>Eligibility.</u> To satisfy eligibility for all University benefits, employees must be in a lawfully recognized marriage, including marriages that were validly entered into outside of the United States so long as those marriages could have been entered into in at least one (1) state.
- 47.3In the event that the *Obergefell* decision is overturned, the University and the Union agree to revive the provision in their prior CBA, including applicable affirmations, relating to benefits afforded same-sex (but not opposite sex) domestic partners to the extent the University may legally offer such coverage.

Article 48: Winter Break

48.1In the event the University continues to recognize a Winter Break whereby certain academic and administrative operations of the University are closed between the Christmas and New Years' Day holidays, then in that event, University Policy 3364-25-68, copy attached, shall apply.

This agreement was ratified by the Membership on April 25, 2024, and approved by the Board of Trustees on June 26, 2024.

(A) Policy statement

- (1) The normal academic and administrative operations of the university will down from December twenty-fifth to January first, with only designated essential services running. Between December twenty-fifth and January first all non-hospital and non-patient care employees in an active pay status the day before and the work day immediately following the winter break will be provided winter break days which shall be used in accordance with this policy.
- (2) Winter break includes three public holidays: Christmas day, Columbus day (which will continue to be observed other than its calendar date and will be utilized during winter break), and New Year's day, plus three or four winter break days depending on which day the holiday falls in the year.
- (3) Winter break days do not accumulate or carry-over, and are not eligible for any cash payout at time of separation, for any reason, from the university.

- (4) Winter break days may only be used during the dates indicated by the university. Employees may not report winter break days on days that they would not be regularly scheduled for work.
- (5) Use of winter break days may not cause an employee to exceed forty hours in one week.

(B) Scope

The dates of the winter break will be announced annually by the university but will generally be December twenty-fifth through January first.

(C) Policy guidelines

Winter break:

- (1) The university of Toledo halts academic and administrative operations annually from December twenty-fifth through January first.
- (2) Employees who are not in active pay status on the workday preceding and on the first workday following the winter break will not receive pay for the winter break days and holidays.

For example:

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
24	25	26	27	28	29	30

(3) Participation in the winter break is expected; however, the university's leadership team recognizes that there are operations that may need to be continued. The university will identify those essential operations annually.

- (4) All employees in the identified areas might not need to report to work during the winter break. Employees with collective bargaining agreements that require vacation planning will be notified by their supervisors by March first of each year. Employees who are scheduled to work during the winter break will be allotted winter break day hours, equivalent to the hours worked on the designated winter break days. These hours need to be utilized by June thirtieth of the following year or will be forfeited.
- (5) If an employee is scheduled to work on a winter break day, but fails to report to work for any reason, he/she shall not receive the pay or hours for winter break days outlined in this policy and may be subject to discipline.
