Hospital Security Overview

The Office of Public Safety includes fifteen (15) Security Officers assigned to the Health Science Campus (HSC). Security Officers are uniformed, un-armed individuals who provide an additional layer of safety and customer services. The staff works out of room 007 in the basement of the Mulford Library.

All Security Officers are trained in the use of the departmental Automated Records Management System (ARMS) / ARMS Computer Aided Dispatch (CAD). They are responsible for answering all incoming phone calls to the police department’s Health Science communications center (419)383.2601 and for requesting the appropriate public safety crews.

Security Officers make routine foot patrols of all buildings on the Health Science Campus as well as patrolling the parking lots at HSC. They actively monitor the campus for any suspicious activity, safety hazards, and unsecured areas. Security Officers assist the campus community by providing directions; safety escorts to individuals; assisting police officers; and conducting monthly fire drills.

Security Officers receive various certifications including but not limited to: Field training; Defensive tactics, Professional Assault Crisis Training; in addition to other training including that required by Joint Commission Standards.
