7:40 a.m. – 7:50 a.m.	<p><b>New: Boston Science SpaceOAR Vue</b></p> <p><b>Follow up in regard to the space oar Kit:</b></p> <p><b>Michelle Giovanoli said that David from Space OAR stated that the recommended two trays are for “backup” , if one is dropped, they will refund. But they recommend it because it is such a “quick” process, he doesn’t want us to be in the OR with a patient under anesthesia and only have one gel. In addition, BSCI has submitted an agreement that would pay for the Ultrasound Probe and ... schedule a meeting with Bsci to discuss contract for ultrasound equipment, use and replacement of product questions.</b></p>	<b>Dr. Hadziametovic</b>
7:50 a.m. – 8:00 a.m.	<p><b>Followup items:</b></p> <p><b>Boston Science Ranger Balloons Implementation completed</b></p> <p><b>TZ-Medical Cath Micro Catheter Implementation is completed</b></p>	<b>Mike Koltz</b>

**Custom Knee request Dr. Hanna is going to colobarate with Dr. Mott and determine if there are any lower cost alternatives. In addition, Angie Ackerman is going to work with billing and insurance reimbursement. Michelle is going to follow up with Angie. Mike spoke with Sales person Eric grill and discussed pricing and how other hospitals afford custom implants. Eric is going to speak with Onkos and get back to me early next week.**
