## DRAIN CHANNEL WOUND 19FR ROUND HUBLESS FULL FLUTED LATEX FREE

Item #: 73402

\$139.00

CS 10

Bard Channel Drain, 19 French. Geometry: round hubless. Fluted: Full, 100% Silicone; offers enhanced patient comfort. Provides high tensile strength. Increased drainage area: multiple channels allow for superior drainage compared to conventional drains. Channel design: lowers risk of occlusion and premature drain removal, minimizes tissue invagination for ease of removal, and reduces the incidence of seroma formation. 10 per case.
