Subject: Post Meeting Agenda Notes 6-2-26 - Nursing and Patient Care CVA
Importance: High

Good Morning Everyone,

Below are the June post-meeting agenda notes.

Committee Updates

- Committee members are highly encouraged to bring forth agenda items as they are needed. If committee members would like to include an item for discussion, please reach out to Tyler at least one week before the next meeting to ensure it gets added to the agenda and so Tyler can include pertinent notes for the committee.
- As a friendly reminder our meetings start at 3:00pm, please ensure you are there as soon as possible so we can use as much of our time effectively as possible. Also, all committee members are highly encouraged to bring their deputy and/or send them in their absence.

Agenda Items

- **Temp Sensing Probes (DeRoyal):** The Temp Sensing Probe supply category was split between ICU Medical and DeRoyal, the committee investigated the current ICU medical probe vs the DeRoyal and found the DeRoyal functionally equivalent. The Nursing CVA Team **APPROVED** the conversion of the single ICU probe to DeRoyal.

Action Items:

- Tyler to add information to build form to get the single item converted and skued. Tyler to send pictures to staff education for infobytes messaging.
- **Softgoods and Sports Bracing (DJO):** The committee reviewed the category and reviewed the current Ossur cervical collar line and the universal DJO collar line. The Nursing CVA Team **APPROVED** the conversion of the existing multiple size Ossur cervical collar line to the DJO universal Collar line. The committee also **APPROVED** the conversion of the Ossur walking boot and abdominal binder to DJO products as they were also determined to be functionally equivalent.

Action Items:

- Tyler to add information to build form to get the single item converted and skued. Tyler to send pictures to staff education for infobytes messaging.

- **Surgical Equipment Covers (Medline):** The committee reviewed the surgical equipment cover offerings, and it was determined that these items are O.R. specific. Therefore O.R. will review and determine if a conversion is advisable.

Action Items:

- Tyler to work with Michelle Mundy and O.R. group to review Medline offerings for possible conversions.

- **Flowmeters & Regulators (Amico):** The committee reviewed the flowmeters & regulators offerings, and it was determined that these items are functionally equivalent to the current products. The Nursing CVA Team **APPROVED** the conversion to the Amico products,

Action Items:

- Tyler to work with Michelle Mundy and O.R. group to review Medline offerings for possible conversions.

- **Advanced Wound Care Update:** Advance Wound Care Committee is currently conducting trials for the foam dressings. Tyler will update committee on trial results in the July meeting.
- **Oxivir Trial Update:** Justin is currently reviewing Diversey's approved equipment spreadsheet. An update can be given at the June meeting.

Thanks,
