12. For 3.12 Respondent Presentations, please clarify:

- When will potential on-campus supplier presentations be confirmed to schedule? Can we request the May 13, 2025 presentation date? Can you provide the window? Will potential suppliers have advanced access to the presentation room?

UToledo Response: UToledo has availability on Tuesday, May 13 from 1:00 - 4:00 for presentation and Wednesday, May 14th from 1:00- 4:00. As indicated in RFP, Respondents will have 1.5 hours to present proposal. This time does not include the 15 minutes allotted for set up. Respondent must email University Contact to schedule preferred date/time for presentation. Presentations will be scheduled on a first-come, first-serve basis.

- Can potential suppliers provide non-cash gifts valued under \$100? e.g. Notebook, Water Bottle, Tote Bag etc..

UToledo Response: Yes, IRS de minimis.

- c. For the beverage presentation can UT provide access to internet activity / projection screen for video purposes?

UToledo Response: The conference room has a large TV and visitors have access to our guest internet. HDMI cords are available, we recommend bringing an adapter for the computer/device that will be used.

13. How many days per week is Coke currently servicing your locations with product delivery? What days are deliveries currently?

UToledo Response: Deliveries based on supply and demand, as determined by current provider.

14. Is there a potential for the UT Health Science Campus Third Party Vending; to offer exclusive Pepsi products for the term of the agreement?

UToledo Response: Vending on the UToledo HSC is provided by the Bureau of Services for Visually Impaired in compliance with ORC and the Randolph Sheppard Act. Respondent can contact BSVI directly to discuss product offerings.

15. We would like to clarify if the University would consider a bid for a single category partnership, such as for Energy Drinks only.

UToledo Response: Respondent can submit proposal for any beverage or category of beverages they wish university to consider.

16. Does the University of Toledo work with any vending operators outside of the primary beverage sponsor's serviced machines? For example, snack vending operators or micro-market operators.

UToledo Response: Yes, Continental (Food/Snack) do our micro-market in Engineering, but adheres the Pouring Rights contract.

17. Does UToledo require us to service the vending machines directly, or can we use a designated third-party vending operator to handle replenishment and ordering?

UToledo Response: Either

18. Can we receive a more detailed breakdown of sales data by beverage category (e.g., energy drinks vs. sodas)?

UToledo Response: See pages 5-10 for additional data available.

19. Are there plans to include beverage sales in the university bookstore or other non-dining retail spaces? *UToledo Response: Not in bookstore contract anymore*

No other changes

LATE PROPOSALS WILL NOT BE ACCEPTED

This clarification must be signed and returned with the required submittals listed in the RFP.
