

**This course evaluation focuses on the design of this online course, not the performance of your instructor.** Please read each statement and select your response - Strongly Agree, Agree, Disagree, or Strongly Disagree. If an item is not applicable, you may leave that response blank. Your responses to this evaluation are anonymous.

This survey contains twelve (**12**) multiple choice questions. In addition, there is a space provided for comments associated with each question. At the end of the survey, is another question for users to provide comments related to the course design overall. **The survey should take approximately 15 minutes to complete.**

**Question 1 of 12**

The course was organized and easy to navigate. It was clear to me where to find the different course components.

a  Strongly Agree

b  Agree

c  Disagree

d  Strongly Disagree

Optional comments for Question 1:

**Question 2 of 12**

The syllabus included course learning objectives (a list of outcomes that describe what I will be able to do after completing the course).

a

**Strongly Agree**

**Agree**

**Disagree**

**Strongly Disagree**

Optional comments for Question 2:

### Question 3 of 12

I felt that the exams, projects, and/or other major assignments in the course helped me to achieve the learning objectives.

**Strongly Agree**

**Agree**

**Disagree**

**Strongly Disagree**

Optional comments for Question 3:

**Question 4 of 12**

I felt that the learning activities (homework, practice quizzes, chapter assignments, etc.) helped me to learn what I needed in order to succeed in the course and achieve the learning objectives.

a  **Strongly Agree**

b  **Agree**

c  **Disagree**

d  **Strongly Disagree**

Optional comments for Question 4:

**Question 5 of 12**

I felt that the instructional materials (articles, lecture notes, textbook, multimedia resources, etc.) helped me to learn what I needed in order to succeed in the course and achieve the learning objectives.

a  **Strongly Agree**

b  **Agree**

c  **Disagree**
