

1. Name: Linda Summers Beall

2. Education:

M.Arch. Architecture, Southern California Institute of Architecture, 1998

M.F.A. Sculpture with Minor in Art History, Pratt Institute, 1985

B.A. Liberal Arts, (Mathematics and Fine Arts), Sarah Lawrence College, 1982

3. Academic Experience: 16 years

University of Toledo, Distinguished University Lecturer and Associate Department Chair, Engineering Technology Fall 2019 - present

Senior Lecturer in Construction Graphics and Interim Department Chair, Engineering Technology Spring 2016 – Summer 2019

Associate Lecturer in Construction Graphics, Engineering Technology Fall 2011 – Fall 2015

Lecturer in Construction Graphics, Engineering Technology Fall 2008 – Spring 2011

Visiting Assistant Professor, Engineering Technology Spring 2007 – Spring 2008

Part-time Instructor, Engineering Technology Fall 2000 – Fall 2006

4. Non-academic experience: 20 years

Industrial Experience

Jay Vanos Architects, Los Angeles, CA, June - August 2017, June – August 2018, May – August 2019

Duket Architects Planners, Toledo, OH May 2014 – Fall 2016

Drawing Room Studios – Linda Beall Designer, June 2005 – present

Daryl Blanchard, Architect, 2002 - 2011

MacPherson Architects, Toledo, OH June 2005 – September 2006

BLAM322, in partnership with Abraham Musher-Eizenman, AIA Toledo, OH, 2002-2005

SSOE Inc., Solutions SBU, Toledo, OH, May 2001 – June 2002

Seyfang Blanchard Duket Porter, Toledo, OH, May 2000 – April 2001

MKC Associates, Mansfield, OH, September 1999 – April 2000

Jay Vanos Architects, Los Angeles, CA, May 1999 – August 1999

Martin Paull Design Studio, Marina del Rey, CA, May 1997 – August 1997, and September 1998 – May 1999

Eric Owen Moss Architects, Culver City, CA, June 1998 – August 1998

Teaching Experience

Part-time Instructor, Bowling Green State University, Bowling Green, OH Fall 2002

Part-time Instructor, Visual Studies Department and Science and Technology Department, Southern California Institute of Architecture, Spring 1999 – Summer 1999

Assistant Teacher, Graduate and Undergraduate Structures Courses, Southern California Institute of Architecture, Fall 1998

Assistant Teacher, Vertical Studio “Ontology of Construction”, and Design Development Seminar, Southern California Institute of Architecture, Summer 1998

Recent Architectural Experience

With Jay Vanos Architects:

Commercial: Alexandria Office Building, Los Angeles, CA (shell permit issued)

Multifamily Projects: Saticoy Apartments, Los Angeles, CA (permitted)

Orange Grove Apartments, Los Angeles, CA (permitted)

Single Family Residential Projects: Canyon Crest, (Design Development)

Woodrow Wilson, (change and field orders)

Small Lots Zoned Single Family Residential: Mariposa, Los Angeles, CA (Design Development)

With Duket Architects Planners:

Fresh Thyme Market, Toledo, OH. (completed 2016)

Ronald McDonald House, Toledo, OH. (completed 2015)

Parker Steel Renovations, Toledo, OH. (2015-2016)

Healthcare REIT, Residence and Conference Center, Toledo, OH. (completed 2015)

Fetch, Doggie Day Care, Toledo, OH. (proposal, 2015)

Toledo Firefighter's Museum, Toledo, OH. (proposal, 2014)
Fankhauser Cottage, Angola, IN. (unbuilt, 2015)
Aubry Residence Addition, Perrysburg, OH. (unbuilt, 2015)
Jhunjhunwala Residence Addition, Ottawa Hills, OH. (completed 2015)
Dana Corporate Office Addition, Maumee, OH. (completed 2015)
Linda Beall, Designer. Drawing Room Studios:
Fields Awry, Rye Tiny House, Temperance, MI. (completed 2016)
Moore Residence Renovations, Toledo, OH. (completed 2014)

5. Certifications or professional registrations:

NCARB IDP Completion Certificate 2002

6. Current membership in professional organizations:

ACADIA: Association for Computer Aided Design in Architecture 2004 - present
American Society for Engineering Education 2015 - present
American Institute of Architects Associate Member 1999 - present
Association of Collegiate Schools of Architecture 2010 - present

7. Honors and awards:

Information Technology Fellowship, Southern California Institute of Architecture, 1999
Graduation Award, Southern California Institute of Architecture, 1998

8. Service activities:

Bishop Visualization Center. Development of schematic equipment and furnishings layout, presentation of rendered images to Cindy and Dave Bishop, (October 20, 2018). Planning for construction walkthrough with Dan Perry, UT Facilities December 12, 2018. Walkthrough with Nick Kulik, Dave and Cindy Bishop December 17, 2018.
Invited Landscape Architecture Reviewer, Florida International University Landscape Architecture Graduate Program Review LAA 6656/GD 04. "Warehouse District: Revival in the Glass City", and desk critiques. (Miami, Florida). April 11 - 12, 2019 and Mid-project review, "Warehouse District: Revival in the Glass City". (Miami, Florida). March 6 - 8, 2019.
Toledo Design Center Outreach Committee member. Design and implementation of outreach and marketing materials to TDC constituents including industrial, professional and academic partners. Attendance at planning meeting November 14, 2018.

OCA sponsored estimating competition with leadership from regional OCA members: Steve Sieracke and Sharon Symanski, Black Swamp Steel; Jeff Carpenter and Aaron Wyse, Miller Brothers Construction; Jason Baden, Gerken Paving. Attendance at professional advisor team training meetings: January 18, 25, February 1, 8, and 15. Attendance at OCA Team Competition, Columbus OH: February 22 - 23, 2019
SKILLS Regional Competition Judge: Architectural Design. 2016 - 2019
University of Toledo College of Engineering Dean Search Committee, 2017
University of Toledo Provost's Ad Hoc Committee on Writing across the Curriculum, 2016
Toledo Design Center Board Member, 2016 - present
American Institute of Architects Toledo Chapter, Engage Studio member, 2015 - present
Professional Mentor, AIA Toledo Chapter High School Design Competition, 2003 - present
CAD Advisory Committee, Penta Career Center, 2007 - present
Invited Architectural Review Juror, Bowling Green State University:
Graduate Design Studio, 2016, 2018
Senior Thesis Design Studio 2002 - 2004, 2006, 2008-2016, 2018 - 2019
Peer reviewer, ASEE Graphical Division, (Civil Engineering), ASEE 2018, 2017, 2016 and 2015 Annual Conferences.

9. Publications and presentations:

- Midwestern Urban Design Charrette. Toledo Design Center, October 5 - 7, 2018. A charrette project for the redesign of the Junction neighborhood of central Toledo. The Toledo Design Center members Bob Seyfang, Paul Hollenbeck, Rachel Bach, Linda Beall and Antoine Brower were joined by students and faculty from Lawrence Technological University, University of Buffalo and Kent State.
- Warehouse District: Revival in the Glass City, Design Charrette with TJ Marston, Visiting Professor Florida International University and Bob Seyfang, Toledo Design Center. February 1 - 3, 2019. Tours of the Toledo Warehouse District and the Middlegrounds. Introduction to the project and the salient economic issues and City Policy governance with Rachel Bach, ConnecToledo.

10. Professional development activities:

USGBC continuing education for LEED AP+ accreditation:

- 2018 Green Construction Education Workshop. Christine Hockman, Co-Director Great Lakes Center for Biomimicry, moderator. Workshop addressed how bio-mimicry, the practice of learning from natural processes and natural forms, can inform and assist the built environment. October 3, 2018.
- "Energy Modeling: Harnessing Technology", 2016
- "EcoBalance and Biomimicry: Inspired by Nature", 2016
- "The Future of Architecture: Buildings That Think; Bigger and Better; an Introduction to LEED v. 4.0", 2016
- "BIMagination: from 3D to 5D", "Daylighting and Sustainable Design", 2016

AIA continuing education in Sustainable Design, Building Information Modeling and Americans with Disabilities Act:

- "Designing Protocols that Make Renewable Energy Affordable". Working through grant and tax implications with renewable energy for affordable housing initiatives and development. AIA Ohio Convention, October 4.
- "Going Beyond Green: Creating a More Sustainable Community". Implementing cost sharing and urban development infrastructure to support sustainable community design. AIA Ohio Convention, October 4.
- AIA Ohio Convention, Keynote address: "Toshiko Mori", former architecture program director at Graduate School of Design. October 4.
- "Driving Renewal: Cleveland's Stuyvesant Motor Car Co. Building". First presented at last year's AIA convention, this presentation was intended to be a presentation of the completed project. Due to significant zoning restrictions this presentation was an update on both the project but also how the architectural firm was able to work through significant challenges to the project from the zoning authorities. AIA Ohio Convention, October 5.
- "Sustainable Arena Design". Presentation of large scale arena and sport complexes work of Moody-Nolan through the design of McCormick Place Entertainment center and Wintrust Arena. AIA Ohio Convention, October 5.
- AIA Ohio Convention, Keynote presentation: "Coren Sharples of SHoP Architects". Presentation of next generation architecture, fabrication and delivery systems by the architects of the Barclay's Center. 3D large-scale fabrication methods, just in time modular delivery systems and stick-built versus off-site fabrication and assembly methods were discussed. AIA Ohio Convention, October 5.
- ProMedica Corporate Headquarters Tour, (with Dr. Brian Randolph, COE, and Robin Whitney of ProMedica). A tour of the newly renovated steam plant in downtown Toledo and the design suggestions and implications for the High Bay Renovation for the College of Engineering. October 6, 2018
- "How Colors of Light Impact Architecture and Design", "Chief Building Official, Plans Examiner Panel Presentation", "General Contractor/Construction Manager Panel Discussion", "Planning Case Study: Downtown Toledo Resurgence", "Daylighting and Sustainable Design", 2016

- “Understanding High Pressure Laminate and the Benefits of Rainscreen Applications”, “Introduction to the Science of Acoustics in Design”, 2015

Continuing Education through the American Planning Association, (APA)

- "Transportation Planning in the Northwest Ohio Region". Current ODOT projects presented by Mike Stormer, District 2 Planning Engineer; current TMACOG, (Toledo Metropolitan Council of Governments) projects presented by Dana Doubler and Regional Transportation Planning by Ellen Smith from the Maumee Valley Planning Association, (RTPO for Henry, Defiance, Fulton, Paulding and Williams counties). American Planning Association, (APA), Ohio 2018 Planning and Zoning Workshop. November 16, 2018.
- "Midwest Urban Design Charrette Presentation". Presentation of the Midwest Urban Design Charrette by Mike Young and Elizabeth Ellis of the Toledo Design Center: Greening Networks, Housing typologies and Neighborhood Framework Revitalization for the Junction Neighborhood of South Toledo. American Planning Association, (APA), Ohio 2018 Planning and Zoning Workshop. November 16, 2018.
- "Creative Financing in a New Normal Small City". Presentation about the use of TIF Tax Increment Financing to redevelop Sandusky, by Eric Wobster and Michelle Johnson. Alternative and innovative economic development including the redevelopment of the downtown, the American Crayon site and the partnership between the City of Sandusky, Cedar Fair and Bowling Green State University to fund the BGSU School of Resort Management American Planning Association, (APA), Ohio 2018 Planning and Zoning Workshop. November 16, 2018.
- "Housing Needs and Housing Issues Panel Discussion". Issues facing three areas in housing: Toledo, (Veronica Burkhardt), Bowling Green, (Heather Saylor) and Williams County, (Matthew Davis). challenges faced by three areas by the exodus of industry, the growth of absentee landlord owned housing and aging housing stock in Northwest Ohio. American Planning Association, (APA), Ohio 2018 Planning and Zoning Workshop. November 16, 2018.
- "Preservation Planning, Placemaking and Funding". Maura Johnson of Mannik and Smith and Joyce Barrett of Heritage Ohio. Exploration and explanation of history of preservation funding and contemporary strategies for funding historic preservation. Federal Historic Tax Credits, Ohio Historical Tax Credits, Ohio Pipeline Program, CLG's: Certified Local Governments, Ohio History Fund, USDA funding for rural projects, 203-K Loans, Jobs Ohio Revitalization Grants, and Local Community Foundation applications, strategies and thresholds for funding were presented. American Planning Association, (APA), Ohio 2018 Planning and Zoning Workshop. November 16, 2018
- "What if Tomorrow Were Different?". Scott Carpenter of the Metroparks Toledo presented current projects and strategies in Northwest Ohio. Green corridor between Secor Park and Oak Openings including the Cannonball Prairie, Maumee River Water Trail, Cannalee Tree House Village in Oak Openings and the proposed Manhattan Marsh.
- American Planning Association, (APA), Ohio 2018 Planning and Zoning Workshop. November 16, 2018
