

Construction Engineering Technology Curriculum

FRESHMAN

Refer to your degree audit for allowable Humanities, Social Science or Multi-Cultural Electives. Allowable Communications electives include: COMM-2600, 2820, 2840, 3610, 3820, 3880 & 3890.

* Must use the "double-dip" option to complete Hum/Soc/MC requirement in 5 courses as shown.

Allowable Professional Development Electives include: BUAD-2040, 2050, 2080, 3010, 3020, 3030, 3040, 3470, FINA-3060, BLAW-3570 and one of either ECON-1150 or 1200. Allowable Technical Development Electives include: CET-3020, MET-4600, ENGT-2500.

** May require additional classes dependent on Math placement.

Allowable Natural Science Electives include: EEES-3250 or CHEM-1230 w/ 1280 Lab. Note that total credit hours may vary from flowchart required values and that CHEM-1230 may require CHEM-1090 first due to your placement.

May also be taken in place of PD/T elective Junior Spring term.
