

SUSTAINABLE ENERGY ECONOMY WORKSHOP

RESEARCH & DEVELOPMENT OF NUCLEAR LIGHT-WATER REACTORS AND HYDROGEN HYBRIDS

January 14, 2019

WELCOME!

- ❖ To the UToledo College of Engineering
- ❖ To a unique and important workshop

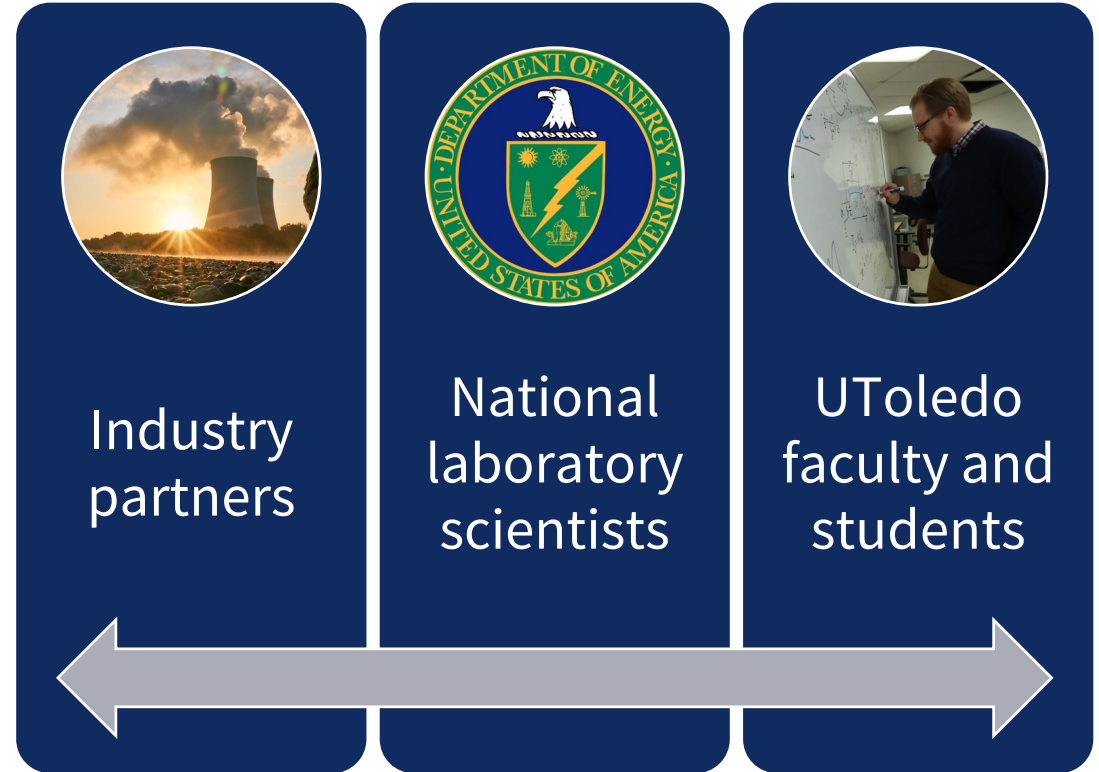

<https://www.utoledo.edu/engineering/research/energy-workshop/agenda.html>

Mike Toole, PhD, PE
Dean, College of Engineering

GOALS FOR THIS WORKSHOP

- ❖ Focus on a critical technological opportunity for our nation
- ❖ Identify regional energy hub opportunities
- ❖ Identify research and technology gaps in the project
- ❖ Facilitate industry, national lab, academic collaborations

- ❖ We will make this special day worth your time!
