

Space Change Form
FACILITIES & CONSTRUCTION

(for F&C use only)
Academic Non-Academic UTMC
Space Change Number:

Date Initiated: Date Received by F&C:

Part I of this form is to be completed any time there is a Request for Space (a request for additional or different space without specific space identified);
Part II is to be completed for a Request for Change in Occupancy (the department assignment of a room changes);
Part III is to be completed for a Request for Change in Room Use.

Approvals:

- Approval from both Director/Dept. Chair and Dean/VP required for all requests.
Academic Space Approval - If space change involves academic space, approval required from Provost and Executive VP for Academic Affairs.
Non-Academic Space Approval - If space change involves non-academic space, approval required from Executive VP for Finance and Administration.
UTMC Space Approval - If space change involves space at the UT Medical Center, approval required from Executive VP for Clinical Affairs.
Approval from two or more Executive VP's may be required for requests involving a combination of academic, non-academic and/or UTMC space.

Note: If renovations are necessary, initiate a Capital Project Request form after Space Change Form is approved.

Digital Signature Required: This document is designed to be signed digitally. For digital signature instructions, please click HERE FOR TUTORIAL.
