4/26/2019	y	y	y	y	Capstone Practicum is an individualized applied learning experience. Students engage in a collaborative mentoring relationship with a faculty

7/11/2019	y	y	y	y	The request is to offer the course as both a face-to-face course (currently approved) and as an online course (new request). Would also like the course to meet the requirements for the Social Science Core Curriculum (new request).
10/22/2019	y	y	y	y	We would like to ensure the Environmental Engineering Students get first priority in this required course in their curriculum. I am happy to provide overrides for everyone else (including CIVE students) who would like to take this as an elective, but since
10/22/2019	y	y	y	y	Adding CIVE 2110 as a prerequisite.
