**COLLEGE OF VISUAL AND
PERFORMING ARTS**

THE UNIVERSITY OF TOLEDO

Summary: We wish to change the College Distributive Requirement for several degrees in the College of Visual and Performing Arts.

- BA in Art, Art History, Film, Music and Theatre – modify the Foreign Language requirement to include a second option. The second option encourages students to pursue Study Abroad opportunities, and/or to expand their global/cultural awareness. We also make clear that we will continue to allow the SPED sign language sequence to substitute for this requirement, as was the case in the former Arts and Sciences requirements.
- BA in New Media Design Practices and BFA in Studio Art – remove the Foreign Language requirement. Per accreditation, the number of credits required in these professional degrees forces a student to take far more than the 124 credits required for graduation. This change will enable students to graduate within four years.
- BM Music requires no change.
- Replace the ARS 1000 Orientation with VPA 1000 Orientation
- MED and AED degrees require no change (and do not actually reside in the CVPA, so are not listed in the catalog changes below.)
