

Draft – Student Well-Being Syllabus Statement

Any student who has difficulty securing food/groceries or who lacks a safe and stable place to live, and believes this may affect their performance in the course is urged to contact the Office of Student Advocacy and Support (Student Union, 2521, 419.530.2471, rocketresponse@utoledo.edu) to discuss on/off-campus resources. Students are reminded that [UT Student Food Pantry](#) and/or [Rocket Fuel](#) exist on both campuses (Main Campus – Student Union, 2504 and Health Sciences Campus – Health Education Building, 112). Furthermore, please contact me if you are uncomfortable reaching out to any campus agency. This will enable me to connect you with an array of resources.
