Recommendations from 2023-24 Ad-hoc Committee on Recruitment and Retention final report:

Reconstitute the RRC during AY 2024/2025 to catalyze collaboration between UToledo's Faculty and Administration to:

- (1) Implement the Art & Science Group's recommendations and act on them swiftly and thoroughly.
- (2) Develop a communication plan for educating recruiters about innovative/career-advancing learning experiences available in our academic programs and the strength of our academic programs.
- (3) To strengthen ties with local school districts, identify faculty members to visit the schools (either individual classrooms or schoolwide assemblies) and educate students and teachers about their disciplines and related opportunities at UToledo.
- (4) Develop a more effective and reliable Enrollment Management/Academic Department communication plan to optimize the planning and execution of recruitment-related activities and events.
