no problem

no problem

SLOs contain 3 outcomes; form checked no at offered at more than 1 level yet syllabus has undergrad an
multiple outcomes in a single SLO; no information on group paper or group presentation;checked taught ;

college alpha change only

course title change; pre-reqs listed in catalog description; one key word changed in the description

1 cr reduction; no problem

1 cr reduction; title change; no problem

1 cr reduction; no problem

description change; no problem

title and description change; no problem

title and description change; minor change to objectives but no change in meaning; no problem

pre-req change course no longer offered; no problem

pre-req change course no longer offered; no problem

pre-req change course no longer offered; no problem

pre-req change, students no longer take the EET
course; no problem

pre-req change, material not needed for success; no problem

pre-req change, material not needed for success; no problem

pre-req change, students no longer take the ENGT course; no problem

pre-req change, course no longer req in curriculum; no problem

pre-req change, material not needed for success; no problem					
pre-req change, students no longer take the EET course; no problem					

title, description, pre-req changes; syllabus not consistent with the form for pre-req language; no problem

pre-req change, students no longer take the CSET course; no problem

pre-req change, new one added because calculus is needed for this course; no problem

change to 1 pre-req but the course is not 1 of the prior 2; syllabus attached uses the old 2 pre-reqs; no problem

new pre-reqs; no problem

pre-req change; no problem

changing course number; cross-listed with grad course 5300; what are grad students doing that undergrad

pre-req change; no problem

added 1 credit with a recitation, makes this similar to other courses in the state; no problem

added 1 credit with a recitation, makes this similar to other courses in the state; no problem

d grad grading; fall & spring every other year?

at more than 1 level yet no grading for 2 levels
