

2026-27
PARENT SOCIAL SECURITY ADMINISTRATION (SSA)
INFORMATIONAL WORKSHEET

We have received your Free Application for Federal Student Aid (FAFSA). It cannot be processed because the same Social Security Number was reported for both of your parents. Your parent(s) will need to correct the Social Security Number(s) online as instructed below. Processing your FAFSA cannot continue until you make the correction(s) online.

TO CORRECT THE SOCIAL SECURITY NUMBER(S) OF PARENT(S) LISTED ON YOUR FAFSA:

Use your FSA ID to access your 2026-27 FAFSA at *studentaid.gov* and click on **Make FAFSA Corrections**.

Add **Parent** information as written on his/her Social Security card

Add **Other Parent** information as written on his/her Social Security card

Both you and your parent will need to **sign your FAFSA** correction electronically with each of your FSA IDs. Once you have made these corrections, the Office of Student Financial Aid will receive your updated FAFSA within 5-7 business days.
