The Free Application for Federal Student Aid (FAFSA) provides a snapshot of student (and spouse, if married) assets **on the date you originally filed the FAFSA**. Federal regulations do not allow these amounts to be updated after the initial FAFSA is filed, unless amounts originally reported were incorrect at that time. We are requesting this form because either 1) you did not answer the asset questions on your FAFSA, or 2) you changed the asset amounts on your FAFSA after it was submitted. If the answer to any question is zero or does not apply, please answer \$0.
