PARENT CHANGE WORKSHEET**

COMPLETE WITH BLACK INK ONLY. ELECTRONIC SIGNATURES ARE NOT ACCEPTABLE ON THIS FORM.

You changed the parent information reported on your original Free Application for Federal Student Aid (FAFSA) to a different parent's information. Federal regulations may not allow us to accept this change. To determine if this change is valid, complete this worksheet and return it to our office so that we can continue processing your federal financial aid.

**Information Regarding Reporting Marital Status and Parent Determination**

Consistent with the Supreme Court decision on the Defense of Marriage Act (DOMA), same-sex couples must report their marital status as married if they were legally married in a state or other jurisdiction (foreign country) that permits same-sex marriage. This decision is applicable to independent students and parents of dependent students.

**Additional guidance for dependent students:**

- If your parents have never been married and do not live together, or, if your parents are divorced or separated, your parent for FAFSA purposes is the parent (and that parent's spouse, if married) who you lived with more during the 12 months prior to the date you submitted your FAFSA.
- If you did not live with one parent more than the other parent during the 12 months prior to the date you submitted your FAFSA, your parent for FAFSA purposes is the parent (and that parent's spouse, if married) who provided more financial support to you during the 12 months prior to the date you submitted your FAFSA.
- If the parent for FAFSA purposes is married/remarried as of the date you submitted your FAFSA, information for that parent and that parent's current spouse are to be reported on your FAFSA.
