**2021-22
PIPELINE PROGRAM FINANCIAL AID AGREEMENT**

COMPLETE WITH BLACK INK ONLY.
ELECTRONIC SIGNATURES ARE NOT
ACCEPTABLE ON THIS FORM.

For the purpose of this agreement, "Pipeline Program" refers to a program of study that includes a combination of undergraduate and graduate coursework and through which a student will be awarded sequential degrees. For each term of Pipeline enrollment, your eligibility for financial aid will be based on only the credit hours that are applicable to your degree completion requirements. You are required to complete a separate agreement for each term of Pipeline enrollment.

For degrees conferred sequentially, undergraduate level financial aid can typically be used as long as your primary degree program is your undergraduate degree program, and the graduate level credit hours you take have been approved to apply toward your undergraduate degree program. Once you meet all requirements for graduation from your undergraduate degree program, you will no longer be eligible for undergraduate level financial aid.

If your status in the Pipeline Program changes (for example, you change your primary degree program or drop out of the Pipeline Program completely), your financial aid eligibility will be re-evaluated.

HOW TO COMPLETE DEGREE LEVEL INFORMATION ON YOUR FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA):

(The FAFSA is not required if applying for merit-based scholarships only.)

While enrolled in the undergraduate portion of the Pipeline Program, indicate on your FAFSA your undergraduate grade level and that you are working toward your first (or second, if applicable) bachelor's degree.

Once you are admitted to the graduate portion of the Pipeline Program, indicate on your FAFSA your graduate grade level and that you are working toward your graduate degree.

It is important that the degree level information provided on the FAFSA matches your current academic level. If the information does not match, the Office of Student Financial Aid must make corrections to your FAFSA, which will delay financial aid processing.

DEADLINES:

To prevent a delay in correctly processing your financial aid, your Pipeline Program Financial Aid Agreement should be received by the Office of Student Financial Aid **TWO weeks prior to the start of classes.**
