

The University of Toledo

Scholarship Terms and Conditions for the

Rocket Nation Scholarship II

1. The awarded scholarship begins in the semester the student is accepted (unless that is summer semester; then the student will need to complete a summer aid application, otherwise, the scholarship will begin in the fall semester). Students must be enrolled and attend on a full-time basis each semester the award is used (although see below for renewal requirements). The award must be used for consecutive semesters.
2. One-half of the yearly award will be applied to the student's bill each fall and spring semester to help cover the out-of-state surcharge (up to 18 credit hours per semester). This award is subject to the availability of funds. Additional awards of other grants, scholarships, or benefits may reduce the amount of this scholarship. Students who are charged a reduced amount of the out-of-state surcharge may have this award removed from their account. This scholarship is considered non-refundable.
3. This scholarship will be used toward the payment of costs incurred at The University of Toledo and is not transferable to any other college or university.
4. This scholarship could be adjusted or rescinded if the student is a recipient of an athletic scholarship.
5. Please note the amount and continuation of your scholarship is subject to change. If any such changes are necessary, you will be notified in writing via your UToledo email address.
6. Academic year requirements for scholarship recipients enrolled in degree programs that require a mandatory co-op or internship experience will be adjusted as needed. Students will need to contact the Scholarship Office at *utscholarships@utoledo.edu*.
