Advisor Policy

• All organizations must have at least one UT employee as an Advisor

• “Must be interested in and committed to promoting the Student Organization's constitutional functions, UT policies and Office of Student Involvement and Leadership requirements.”

• To be eligible for UT insurance coverage, “activity must be within the course and scope of employment and action must not be taken with malicious purpose, in bad faith, or in a wanton or reckless manner.”

• Non-UT Advisors are not covered
Event Liability Insurance Policy

- Student organization events identified as high risk may require event liability insurance.
- Sometimes this can be covered by having UT and the student organization name listed as additional insured through the contract process with a vendor.
