Comments/Notes:

> We are dropping the one-credit pro-seminar, Introduction to Graduate Studies.

Rationale:

> Dropping this course will bring the program down to 36 hours, which will make it conform with new COGS standard for assistantship funding (i.e., waivers now cover just nine hours per semester). The information that was conveyed in this pro-seminar will now be disseminated to our students by way of a workshop at the beginning of the academic year and a guidebook that we will hand out to all students.
