Program Name: Master of Science in Nursing - Nurse Educator
Program Level: ☑ Graduate

Changes and Reason for Changes

Change: Reduction in total credit hours from 40 to 39.
Reason: Substitution of NURS 533 Health Assessment (3 credits) for NURS 574 Advanced Health Assessment (4 credits).

NURS 533 is a newly designed (previously approved) Health Assessment course for Master's level nursing students and will be offered to students who are pursuing the Clinical Nurse Leader and Nurse Educator majors. This new course aligns with the future career needs for these master's students. NURS 574 is more specific to application in advanced practice settings.
