Program Name: Certificate in the Teaching of Writing
Program Level: ☑ Graduate

Changes and Reason for Changes:
The Certificate program currently includes the following five graduate courses:
• Theory: ENGL 5780 Contemporary Theory
  ENGL 5690 Current Writing Theory
• Praxis: ENGL 6910 Instruction in Composition
This course assumes experience in teaching. Those not presently teaching will be asked to work with a teacher to gain that experience.
• Method: ENGL 6180 Methods, Course Design, & Assessment
• Research: ENGL 6890 Capstone

We want to be able to substitute ENGL 5750 or LING5190 for ENGL 5780. All three courses provide the theoretical background students need, but the options allow students scheduling and intellectual choices. These options are particularly important for students simultaneously earning an masters' in ESL, increasing enrollment in the certificate program.
