

Questions from Graduate Council for President Postel

November 16, 2021

- Q1: What is your vision for the new Strategic Plan, its timeline, and how it will be distinct from the 2017-2022 plan? What specific metrics for success are planned and how will they be used?*
- Q2: Where does graduate education fall in the list of priorities that need to be addressed?*
- Q3: There are opportunities to grow graduate enrollment. Are we competitive? How are our graduate programs benchmarked for competitiveness considering tuition for masters programs, Ph.D. stipends, student fees, and student health insurance costs?*
- Q4: Are there opportunities to reduce student health insurance costs considering that we have our own medical center?*
