University Calendar

Semester Credit Hour Definition

- One semester credit hour will be awarded for a minimum of 750 minutes of formalized instruction.
- Typically requires students to work at out of class assignments and average of two hours for every hour of formalized instruction.
- Credit hours may be awarded on a different basis for other types of instruction (e.g., labs, clinical, studio, independent study).

University Calendar

Semester Length Definition

- An academic year is at least 30 weeks of instructional time.
- The number of weeks of instructional time is based on the period that begins on the first day of classes in the academic year and ends on the last day of classes or examinations.
