Reason for change:

Our accrediting body, CACREP, requires that we include additional material into our curriculum regarding research and design. The best place to insert this course material is in the COUN 7930 course. We need the additional hour to maintain that which was previously taught and incorporate this content.

Has course content changed? ☑ No  ☐ Yes  If course content is changed, give a brief topical outline of the revised course below (less than 1500 words):
Students will be able to:
