# Plan of Study for the Master's Degree

# Purpose of the Plan of Study Form

- To serve as a planning and advising tool between the student and advisor that
  - Defines the course of study, providing focus and direction to the graduate program in alignment with the catalog and timely degree completion.
  - Constitutes an agreement that successful completion of proposed and approved course of study and any other general master's degree requirements will result in the awarding of the degree.

#### Policies and Permissions

- All students earning a master's degree must file an approved Plan of Study [POS] with the College of Graduate Studies prior to the completion of 12 credit hours.
- It is the student's responsibility to notify the College of Graduate Studies of any changes to an approved POS. Such changes should be requested on a <u>Plan of Study Course Substitution form</u> or an amended Plan of Study, if extensive. Changes involving term of registration e.g. taking a course in a different semester or year are exempted.
- All changes require the signatures of the advisor, chair or program director, and associate dean of college.
- According to university policy, all credit applied toward the master's degree must have been earned within the period of six
   [6] years immediately preceding the time the degree is awarded.
- According to university policy, any courses earning a "U" or below a "C" cannot remain on the Plan of Study or be applied towards degree fulfillment.

### **Instructions for Completion**

- List all credits earned or to be earned that you would like to apply toward fulfillment of the master's degree, following the
   <u>catalog requirements</u> for the year of your matriculation. Document any deviation from catalog requirements on the last
   page of this form.
- Enter department and course number under 'Course Alphanumeric Code.' Enter the course title in the second column. Enter term and grade information as appropriate. Enter number of credits in the 'Credit' column for each course.
- Obtain all required signatures and submit to the College of Graduate Studies for final approval.
