16. Where does this course fit in the University/College/Department curriculum? (Be specific by course level, if applicable). Indicate prospective demand.

   MLS6970 satisfies the project/thesis requirement for the Masters of Liberal Studies (MLS) degree. In 2008 the MLS Program was modified to allow students the choice of a project or a thesis. This course distinguishes the project from the thesis. The course is only applicable to the MLS degree program.

17. If the proposed course is similar to another course in the College or University, please describe the difference and provide a rationale for the duplication. (If this course duplicates material covered in another course within your department or college or in another college, attach a letter of endorsement from that area’s dean and department chairperson indicating their support. Clarify the manner in which this course will differ).
