Semester  Spring, Summer, Fall 2011

Course Description  A three semester practicum, covering eight 4-week clinical rotations, which provides supervised long term care, inpatient, emergency services and ambulatory primary care clinical experiences for physician assistant students. Students will demonstrate the ability to integrate knowledge and skills in the evaluation and treatment of patients and their families. Emphasis will also be placed on assimilation of the physician assistant professional role. Students will be required to return to campus for an End of Rotation Day (EOR Day) on the last day of each clinical rotation.

Credit hours, by Course – 2 credit hrs per course

Contact Hours and Type  Practicum
Classroom  TBA

Prerequisite Completion of didactic portion of PA Program
3.0 GPA or better

Objectives: Upon satisfactory completion of these courses, the student will be able to

A  Interview a patient, new or established with the practice, and obtain an accurate and appropriate historical data base

B  Examine a patient, new or established in the practice, and obtain accurate and appropriate physical examination data

C  Recognize normal and abnormal findings

D  Establish a preliminary differential diagnosis through analysis of patient data base

E.  Develop a management plan under the guidance of the clinical preceptor. Include diagnostic plans, therapeutic plans and patient education.

F  Describe (orally and in written form) accurately, clearly and concisely the patient data base and recommendations for a management and/or therapeutic plan.

G  Implement the management plan when appropriate and approved

H  Perform diagnostic and therapeutic procedures as directed

I  Develop a final diagnosis and be able to discuss rationale for diagnosis, final recommendations for management and prognosis

Clinical Manual

Page 117
J. Demonstrate professionalism, high moral and ethical behavior and personal characteristics appropriate for a physician assistant on a health care team

K. Monitor patients' progress, record findings and make recommendations as appropriate

L. Participate in educational activities as assigned/recommended (readings, grand rounds, etc.)

M. Demonstrate acceptable levels of performance on stated clinical objectives and clinical requirements for each rotation experience*

N. Successfully complete End of Rotation assignments, requirements and activities

*NOTE: Specific detailed objectives and clinical requirements are found in the UT HSC Physician Assistant Program Clinical Manual

Topical Outline:

A. Medical history
B. Physical examination
C. Clinical procedures
E. Management Plan
   1. Diagnostic
   2. Therapeutic
   3. Patient Education
F. Analysis of data
G. Medical record
H. Final diagnosis
I. Follow-up
J. Professionalism

Methods of Evaluation**.

A. Evaluation by clinical preceptor on level of student accomplishment of the objectives for the assigned rotation experience

B. Final S/U grade will be determined by the program

C. Written examination

D. Demonstration of professionalism and appropriate behavior expected of a physician assistant student

E. Completion of End of Rotation requirements as described for each clinical rotation as defined in the 2011 Physician Assistant Program Clinical Manual

** See: End of Rotation Requirements, page 11, of 2011 Physician Assistant Program Clinical Manual and the specific requirements at the end of each rotation, as defined in the 2011 Physician Assistant Program Clinical Manual

NOTE: If all requirements are not met, the student will receive an unsatisfactory for the clinical practicum/rotation or be given an incomplete until all requirements are completed satisfactorily.
event that requirements are not completed in a timely manner, it is possible for the student to be unable to achieve the required eighty percent, thus necessitating the student to repeat the clinical rotation and delaying completion of the Program.

NOTE: It is possible for a student to fail a clinical rotation solely because of lack of professionalism.
