**Impact on student learning (attach additional pages if needed):**

Students frequently have questions about research methods and statistical procedures. The listed DVDs provide supplemental information for students not only in HEAL 4800 but all students who conduct research. The topics in the videos cover a wide variety of quantitative and qualitative research methods and analytical skills. They are suggested to be placed in the Carver Center where students from all departments at all levels (undergraduate, master, doctoral) can access. Faculty shall be allowed to check out the videos to help with their classroom teaching.

- **Equipment/Technology purchased with Tech Fee funds is for student use only. It cannot be filtered or "passed-down" to faculty or staff.**
- All outdated or broken Tech Fee equipment/technology must be returned to the Tech Fee Committee for retirement or disposal.
- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT.
