Impact on student learning (attach additional pages if needed):

This is an academic assessment instrument with software that all students are required to learn. We currently have one of this test. They must learn this measure in SPSY 5310 (offered in the spring semester) and then use it as part of their practica and internship field experiences. This is a one-time purchase and we need the kit for use beginning spring semester. The kit includes an Intervention Planner and Scoring Assistant CD-Rom.

- **Equipment/Technology purchased with Tech Fee funds is for student use only. It cannot be filtered or "passed-down" to faculty or staff.**
- All outdated or broken Tech Fee equipment/technology must be returned to the Tech Fee Committee for retirement or disposal.
- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT.
