| Location equipment of software will be used | HSHS 2611 | | | | |

Impact on student learning:

In order to get graduate materials out to all graduate students, our department is in need of 3 new computers for the GA room. Graduate Assistants in the Social work department are responsible for producing, collecting, analyzing materials and conducting research in order to contribute to the department and graduate students as a whole. Replacing our old computers will greatly enhance our ability to help students get their materials timely and effectively and also provide for all graduate students research needs.

- **Equipment/Technology purchased with Tech Fee funds is for student use only. It cannot be filtered or "passed-down" to faculty or staff.**
- All outdated or broken Tech Fee equipment/technology must be returned to the Tech Fee Committee for retirement or disposal.
- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT.
- For software, please note below if you are requesting it as a one-time expense or as an on-going fixed expense.
