<p><b>Impact on student learning: (Note: this is a renewal from last year's request which was approved; the attached quote reflects the updated price from AEI Technologies. This was approved last fall but since the price for the contract changed we are waiting until spring to renew it. This means that the fund approved last fall for this were never used. We would like this to be an ongoing yearly expense)</b></p> <p>The MAX II metabolic cart is the life-blood of the Fitness Assessment Programming, Human Physiology Laboratory, and applied Exercise Physiology Lab courses . It is a state-of-the-art unit used for assessing oxygen consumption and caloric expenditure during exercise.</p>					

- **Equipment/Technology purchased with Tech Fee funds is for student use only. It cannot be filtered or "passed-down" to faculty or staff.**
- All outdated or broken Tech Fee equipment/technology must be returned to the Tech Fee Committee for retirement or disposal.
- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT.
- For software, please note below if you are requesting it as a one-time expense or as an on-going fixed expense.
