

JHCEHSHS STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:

Form Updated: 12/10/12

1. Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2. Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's Department Chair.
3. The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

Dept. making request:	College Computing	Requesting Faculty:	Kyle Parsons	Date Submitted:	10/11/13
IMPORTANT: Attach an official quote from the vendor.					

List one item OR group (for use as a "package") per page.

Item Name	Vendor info. (name, address, Web site URL, phone #, email, etc.)	Part or Model #	Cost (each)	Qty	Total
Apple Laptops	Apple Inc.	MacBook Air	1,112.00	10	11,120.00
VGA adapters		DP to VGA	29.00	5	145.00
DVI adapters		DP to DVI	29.00	5	145.00
HDMI adapters		DP to HDMI	34.95	5	174.75
MacMini		MacMini	779.00	1	779.00
Course(s) where item(s) will be used	N/A	Expected life of product (years)	5	# Students Impacted per Year	3000+
Location equipment or software will be used/stored	HH 2400A	Will Tech Fee funds be needed for annual renewals or maintenance?	No		
Provide a brief description of the technology requested*: The are Apple laptops for the HH Checkout Center. The adapters will be able to be checked out if students would like to present in our classrooms or offsite where projector hookup is required. The MacMini is required for imaging and deploying software to the laptops.					
Briefly describe how the technology will be used (function)*: The laptops and the VGA/DVI/HDMI adapters will be used in the HH Checkout. All students majoring in HH will be able checkout this equipment. The MacMini will NOT be available for checkout. This machine will be used to store and deploy images and software for Mac laptops.					
Provide a rationale that Tech Fee funds are appropriate for this request*: These laptops will be used in the checkout which is already funded by Tech Fee. Students have requested Mac laptops and until now we have not been able to provide them. The last few years many of the students enjoyed being able to select either a Mac or a Windows PC from the Carver Center. We hope to provide them the same freedom. We suspect that the need for Mac laptops will be less than the Windows laptops due to the nature of our colleges and the software required for each program. This is why we are starting with 10 MacBooks. We will determine how much these are used over the next year. The MacMini will be required to image, refresh, clean, and deploy software to the laptops.					

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
