STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission: Form Updated: 8/20/13

1. Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2. Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's Department Chair.
3. The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

Dept. making request:	Paralegal Studies/Criminal Justice/Social Work		Requesting Faculty:	Prof. John Schlageter		Date Submitted:	10/10/2013

IMPORTANT: Attach an official quote from the vendor.

List one item OR group (for use as a "package") per page.

Optiplex 9020 AIO non-touch Desktop Computer	Dell Online Store https://ecomm.dell.com/ Dellonlinesales@dell.com	Optiples 9020 AIO, non-touch	$987.70	14	**$13827.80**

Course(s) where item(s) will be used	Any and all courses within either Program	Expected life of product (years)	5	# Students Impacted per Year	750
Location equipment or software will be used/stored	Paralegal Studies/Criminal Justice/Social Work Comp. Lab	Will Tech Fee funds be needed for annual renewals or maintenance?	No		

Provide a brief description of the technology requested*:
The Desktop computers requested are All-in-One, meaning the computing unit is contained within the monitor case. This small footprint is extremely important for the setting we are dealing with due to a general lack of physical space in the lab.

Briefly describe how the technology will be used (function)*:
These computers would provide an unparalleled resource, not only for the students in the Paralegal Studies program, but also any students in the Criminal Justice and Social Work programs. The joint Paralegal Studies-Criminal Justice-Social Work student computer lab is located on the 3rd Floor in the faculty hallway and contains fewer than 10 available computers. These new desktops would be used to supplement the available computers in the lab, over doubling the potential number of students affected by this technology.

Provide a rationale that Tech Fee funds are appropriate for this request*:
The Paralegal Studies, Criminal Justice, and Social Work programs currently share a computer lab with fewer than 10 dedicated computers. This addition would benefit students from both programs for years to come. By offering more, dedicated desktop computers to these students, the professors in the programs would be able implement them more freely in providing a variety of real world, practical learning experiences.

*Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.

- If you are submitting a request for computers, printers, scanners or software, you <u>must</u> consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
