JHCEHSHS STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission: Form Updated: 12/10/12

1. Submitter must obtain all required information from the desired vendor(s). An <u>official quote</u> from the vendor <u>must</u> be attached.
2. Only <u>one</u> request per Request Form. This request <u>must</u> be reviewed, approved, and submitted by the requesting program's Department Chair.
3. The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

Dept. making request:	Department of Health and Recreation Professions		Requesting Faculty:	Dr. Amy Thompson		Date Submitted:	2-7-13

IMPORTANT: Attach an official quote from the vendor.

List one item OR group (for use as a "package") per page.

Item Name	Vendor info. (name, address, Web site URL, phone #, email, etc.)	Part or Model #	Cost (each)	Qty	Total
Inspiron One 2020	Dell, www.dell.com	Catalog Number: 29 FDDWTT05H	$679.99 - $180 (instant rebate) + $32.53 (tax) = **$532.52**	4	**2130.08**
Dell V525w Wireless All In One Inkjet Printer	Dell, www.dell.com	Catalog Number: 29 V525WSAP	$129.99 - $40.00 (instant rebate) + $6.07 (tax) = $96.06	4	**$384.24**

Course(s) where item(s) will be used	Heal 3800, HEAL 4500, Heal 4940, Heal HEAL 2940	Expected life of product (years)	7	# Students Impacted per Year	50
Location equipment or software will be used/stored	HS 1100	Will Tech Fee funds be needed for annual renewals or maintenance?	NO		

Provide a brief description of the technology requested*:

We would require 4 desktop computers with the following software installed in them:
1. Microsoft Office Suit 2010
2. Basic antivirus software
3. SPSS version 21
4. Adobe Reader

Along with this we will also be requesting 4 printers with copying, faxing and scanning capabilities. These printers would need to be set up.

Briefly describe how the technology will be used (function)*:

The computers and the printers will be used to equip the student intern offices housed in the new Survivorship Center that will be located in the Health and Human Services Building at the University of Toledo. The Center will serve as a "one stop shop" for a variety of services that will be provided to the local breast cancer survivors.

Provide a rationale that Tech Fee funds are appropriate for this request*:

The new interdisciplinary breast cancer survivorship which with be located in HS 1100 will be entirely staffed by students to gain hands on experience in the community. Student will provide patient education and navigation. They will have lots of one on one interactions where they will need computer to track patient progress. Students will also need computers to help create patient education materials. When this space is populated in May 2013 there will not be any technology or computers/printers in these offices.

*****Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you <u>must</u> consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.

Dell recommends Windows.
