# JHCEHSHS STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:
1.  Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2.  Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's Department Chair.
3.  The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

| Dept. making request: | CJ & SW | Requesting Faculty: | Sudershan Pasupuleti | Date Submitted: | 1/18/13 |
|---|---|---|---|---|---|

**IMPORTANT: Attach an official quote from the vendor.**

List one item OR group (for use as a "package") per page.

| Item Name | Vendor info. (name, address, Web site URL, phone #, email, etc.) | Part or Model # | Cost (each) | Qty | Total |
|---|---|---|---|---|---|
| iPad with Retina display Wi-Fi 16GB - White | Apple Store | MD513LL/A | $499.00 | 6 | **2,994.00** |

| Course(s) where item(s) will be used | Field Instruction to students | | Expected life of product (years) | 5 years | # Students Impacted per Year | 90 |
|---|---|---|---|---|---|---|
| Location equipment or software will be used/stored | Social Work Program Office | | Will Tech Fee funds be needed for annual renewals or maintenance? | | Yes | |

**Provide a brief description of the technology requested\*:**

The Retina display on iPad makes everything look crisp and lifelike. Text is razor sharp. Applications for iPad are commuting more entertaining, a presentation more interesting, or a school lesson more inspiring, right from your iPad. The new A6X chip inside iPad is up to twice as fast as the previous-generation A5X chip, and it delivers up to twice the graphics performance, without sacrificing battery life. iPad with cellular capability lets you connect to fast data networks worldwide — up to LTE.[1] So you can connect to the Internet even when Wi-Fi isn't available (Source: Apple Store Website).

**Briefly describe how the technology will be used (function)\*:**

The items requested will help maintain communication with students who are placed for internship at long distances both domestic and international. These devices can bridge the communication gap that would arise in these placements. In addition, the devices will enable live interaction and students will be able to get guidance from field instructor in real time.

**Provide a rationale that Tech Fee funds are appropriate for this request*:**

The devices will aid in student learning and active participation in field related activities. It can create new opportunity to stay connected with filed instructors to achieve their curricular goals.

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you <u>must</u> consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
