Provide a brief description of the technology requested*:

This is a DVD with multiple lessons on explicit instruction.

Briefly describe how the technology will be used (function)*:

The DVD will be used to show students in multiple classes methods of ensuring explicit instruction. Students are expected to be knowledgeable of classroom behavior and teaching methods, and this DVD provides some well-established methods for improving class time.

Provide a rationale that Tech Fee funds are appropriate for this request*:

This DVD can be used for many different classes, and students could check it out on their own from the materials room to aid them in field work.

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
