

STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:

Form Updated: 8/20/13

1. Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2. Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's Department Chair.
3. The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

Dept. making request:	CJ	Requesting Faculty:	Mick Dier	Date Submitted:	3/19/15
IMPORTANT: Attach an official quote from the vendor.					

List one item OR group (for use as a "package") per page.

Item Name	Vendor info. (name, address, Web site URL, phone #, email, etc.)	Part or Model #	Cost (each)	Qty	Total
Power Pack for CubePro	3D Systems - Cubify		\$3886.00	1	\$3886.00
Course(s) where item(s) will be used	Crim Invst 2, 3	Expected life of product (years)	6-8	# Students Impacted per Year	60-70
Location equipment or software will be used/stored	Criminal Justice Lab	Will Tech Fee funds be needed for annual renewals or maintenance?	Yes – supplies only		
Provide a brief description of the technology requested*: This is a 3d printer that creates 3D plastic models from computer generated images					
Briefly describe how the technology will be used (function)*: Unlike any other university in the country this technology will assist in recreating crime scenes. This product will bring real life exposure to the students in order for them to take this unique educational opportunity to the field. Students will create and recreate scaled crime scenes, forensic evidence, and allow them to use these as visual aids in forensic crime analysis/reconstruction.					
Provide a rationale that Tech Fee funds are appropriate for this request*: Students will be using this technology in just a few years in professional crime scene investigation. We want the students to learn and utilize this tool now before entering the field. The students will then develop the knowledge and skills that will exceed their predecessors.					

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
