

STUDENT TECHNOLOGY FEE REQUEST FORM

Procedure for Submission:

Form Updated: 8/20/13

1. Submitter must obtain all required information from the desired vendor(s). An official quote from the vendor must be attached.
2. Only one request per Request Form. This request must be reviewed, approved, and submitted by the requesting program's Department Chair.
3. The Dept. Chair may email this request to the Tech Fee Director. *Since some departments will have multiple requests, please rename request in the following format: Dept # (rank, 1 being the highest priority) and a brief title*

Dept. making request:	Kinesiology	Requesting Faculty:	Pizza	Date Submitted:	02/09/2016
IMPORTANT: Attach an official quote from the vendor.					

List one item OR group (for use as a "package") per page.

Item Name	Vendor info. (name, address, Web site URL, phone #, email, etc.)	Part or Model #	Cost (each)	Qty	Total
GenPure water purification system	Thermo Fisher, Barnstead	10 451 068	\$6537.83	1	\$6537.83
Replacement filter cartridge	"	10 451 033	\$539.87	1	\$539.87
Replacement UV bulb	"	10 451 031	\$318.27	1	\$318.27
Final Filter and replacement	"	10 451 026	\$162.61	2	\$325.22
Cleaning syringe and solution	"	CMX25	\$37.12	1	\$37.12
					\$7,721.19

Course(s) where item(s) will be used	KINE2540, KINE 3530, KINE4870, KINE6960, KINE8960	Expected life of product (years)	10	# Students Impacted per Year	100+
Location equipment or software will be used/stored	HHS 2516	Will Tech Fee funds be needed for annual renewals or maintenance?	NO		

Provide a brief description of the technology requested*:

It is a water purification system along with replacement supplies for one year.

Briefly describe how the technology will be used (function)*:

The water purification system will provide ultra-pure water, which is needed in the preparation of chemical solutions that are used in lab activities and student research projects.

Provide a rationale that Tech Fee funds are appropriate for this request*:

The requested system will replace a current system that is 12 years old, which is well beyond the typical lifespan of a water purification system. The current system does not function properly and needs to be replaced. A new system will insure that students will be able to prepare solutions for their lab activities and research projects.

***Keep in mind that the committee members come from a variety of educational backgrounds and may not be familiar with department specific language. Please use concise, common terminology so that committee members reviewing this form will be able to fully understand the request.**

- If you are submitting a request for computers, printers, scanners or software, you must consult with College Computing and the technology staff, to acquire a quote and to make sure that this equipment/software is supported by UT and compatible with existing technology.
